Vekkia 14LED-Cable

Vekkia 14 LED Book Light User Manual

Model: 14LED-Cable | Brand: Vekkia

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the Vekkia 14 LED Book Light. This manual provides essential information for the safe and efficient use of your new book light. Designed for comfortable reading, this light features adjustable brightness and color temperature, a flexible neck, and a convenient clip-on design. Its rechargeable battery ensures long-lasting illumination for various activities, including reading, knitting, and crafting.

2. PACKAGE CONTENTS

Please verify that all items are present in your package:

- Vekkia 14 LED Book Reading Light (x1)
- Type-C USB Charging Cable (x1)
- USB Wall Charger (x1)
- Travel Case (x1)
- User Manual (x1)

YOU GET THESE

3. SETUP AND INITIAL USE

3.1 Charging the Book Light

Before first use, fully charge your Vekkia Book Light. Connect the provided Type-C USB cable to the charging port on the light's base and plug the other end into the USB wall charger. A charging indicator light will typically show the charging status and turn off or change color when fully charged. The light can be used while charging.

3.2 Attaching the Book Light

The Vekkia Book Light features a sturdy clip with anti-slippery pads to securely attach it to books, e-readers, or other surfaces without causing damage. The clip opens approximately 2.1 inches wide, allowing for attachment to various objects.

4. OPERATING INSTRUCTIONS

4.1 Power On/Off and Brightness Adjustment

Locate the power button on the base of the light. A single short press will turn the light on and cycle

through its 9 brightness modes. Continue pressing to find your preferred brightness level. The light will turn off after cycling through all modes.

4.2 Color Temperature Selection

The Vekkia 14 LED Book Light offers three color temperature modes: warm (3000K), white (6500K), and mixed (4200K). To switch between these modes, press and hold the power button for 2 seconds. This allows you to select the ideal lighting for eye comfort and preference.

3 MODES

3 BRIGHTNESS LEVELS

Press for 2 seconds color temperature switching

4.3 Adjusting the Lighting Heads

The book light features a 180-degree foldable patented whale tail design with extendable lighting heads. This allows you to adjust the light direction and spread to cover both pages of a book evenly, providing an unobstructed reading vision and soft illumination across all pages.

EXTENDABLE LIGHTINGHEAD

To set up the best lighting area

5. CHARGING AND BATTERY LIFE

The Vekkia 14 LED Book Light is equipped with a powerful rechargeable battery, eliminating the need for disposable batteries. A full charge provides up to 70 hours of wireless reading time on the lowest brightness setting. The upgraded LED bulbs are designed to last for 100,000 hours without replacement.

5.1 Charging Process

1. Connect the Type-C USB cable to the charging port on the light's base.
2. Plug the USB end of the cable into the provided wall charger or any compatible USB power source.
3. The charging indicator light will illuminate to show that the device is charging.
4. Once fully charged, the indicator light will change or turn off.

6. MAINTENANCE AND CARE

- Keep the book light clean by wiping it with a soft, dry cloth. Avoid using abrasive cleaners or solvents.
- Store the light in its travel case when not in use to protect it from dust and damage.
- Avoid exposing the device to extreme temperatures or direct sunlight for prolonged periods.

- Do not attempt to disassemble or repair the unit yourself. Contact customer support if issues arise.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Light does not turn on.	Battery is depleted.	Charge the book light fully.
Light flickers or is dim.	Low battery or faulty connection.	Recharge the device. Ensure the charging cable is securely connected.
Light does not hold a charge.	Battery degradation or faulty charging component.	Ensure you are using the provided charger and cable. If the issue persists, contact customer support.
Clip does not hold securely.	Surface is too thick or slippery.	Ensure the surface is within the 2.1-inch clip capacity. Adjust the position to maximize grip.
