Dolonm Nursery Rocking Chair 1

Dolonm Modern Glider Rocking Chair User Manual

MODEL: NURSERY ROCKING CHAIR 1

Introduction

Thank you for choosing the Dolonm Modern Glider Rocking Chair. This manual provides essential information for the safe assembly, operation, and maintenance of your new chair. Please read these instructions carefully before assembly and retain them for future reference.

This rocking chair is designed for comfort and functionality, suitable for various rooms including nurseries, living rooms, bedrooms, and offices. It features a sturdy construction and a gentle rocking motion.

Safety Information

- Ensure all parts are present and undamaged before assembly. Do not use if any parts are missing or broken.
- Assemble the chair on a soft, clean surface to prevent scratches.
- Tighten all fasteners securely, but do not overtighten. Periodically check and re-tighten fasteners as needed.
- Do not stand on the chair or use it as a step stool.
- Keep small parts away from children during assembly.
- Maximum weight capacity: 300 lbs. Do not exceed this limit.
- Place the chair on a level surface to ensure stable rocking.

Product Components

Before beginning assembly, verify that all components listed below are present in your package. If any parts are missing or damaged, please contact customer support.

- Backrest (1)
- Seat Cushion (1)
- Armrests (2)
- Rocking Base (2)
- Hardware Pack (Bolts, Washers, Allen Wrench)

Assembly Instructions

Follow these steps to assemble your Dolonm Rocking Chair. Assembly typically takes approximately 10 minutes.

Your browser does not support the video tag.

Video: This video demonstrates the quick and easy assembly process of the Dolonm Rocking Chair, showing how to attach the backrest and seat cushion to the base.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, flat surface to prevent damage.
2. **Attach Armrests to Seat:** Align the pre-drilled holes on the armrests with the corresponding holes on the seat cushion. Secure them using the provided bolts and washers. Do not fully tighten yet.
3. **Attach Backrest:** Slide the backrest into the slots on the seat and armrests. Ensure it is fully seated. Secure with bolts.
4. **Attach Rocking Base:** Connect the rocking base rails to the bottom of the chair frame. Ensure proper alignment and secure with the remaining bolts.
5. **Final Tightening:** Once all components are in place, gradually tighten all bolts using the Allen wrench until secure. Do not overtighten.
6. **Inspect:** Ensure the chair is stable and all connections are firm before use.

Operating Instructions

The Dolonm Rocking Chair is designed for comfortable seating and gentle rocking. Here's how to use its features:

- **Rocking Motion:** Sit centrally in the chair and gently push off with your feet to initiate the rocking motion. The chair is designed for a smooth, controlled rock.

- **Side Pockets:** Utilize the integrated side pockets on the armrests for convenient storage of small items such as books, magazines, or remote controls.

GENTLE ROCKING DESIGN

A cup of coffee, a book, enjoy a leisurely time

Intimate design to prevent rollover

Maintenance

Proper care and maintenance will extend the life of your Dolonm Rocking Chair.

- **Cleaning Fabric:** For general cleaning, gently vacuum the velvet fabric to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner following the product's instructions, testing on an inconspicuous area first.
- **Frame Care:** Wipe the wooden rocking base and frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fastener Check:** Periodically check all bolts and connections to ensure they remain tight. Re-tighten as necessary to maintain stability and safety.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position the chair away from direct sunlight when possible.

Multiple Colors to Choose

Troubleshooting

If you encounter any issues with your Dolonm Rocking Chair, refer to the following common problems and solutions:

- **Chair feels unstable or wobbly:**

Solution: Check all assembly bolts and ensure they are securely tightened. Make sure the chair is placed on a flat, even surface.

- **Squeaking noise during rocking:**

Solution: Inspect the connections between the rocking base and the chair frame. Apply a small amount of silicone lubricant to any friction points if necessary, ensuring it does not stain the fabric.

- **Fabric appears flattened or creased:**

Solution: Gently fluff the cushions. For minor creases, light steaming from a distance may help, but always test on an inconspicuous area first.

Specifications

Feature	Detail
Brand	Dolonm
Model Number	Nursery Rocking Chair 1
Product Dimensions	40.6D x 26.8W x 39.8H inches
Seat Height	26 inches
