SHARPER IMAGE SpaStudio Digital Scale Instruction Manual

Model: 1015793

INTRODUCTION

The Sharper Image SpaStudio Digital Scale is a Wi-Fi and Bluetooth compatible smart scale designed to help you track your full body composition. It seamlessly integrates with a companion app to provide comprehensive health monitoring for up to 8 unique user profiles. Its sleek design, featuring tempered glass and protective rubber edges, ensures durability and a modern aesthetic in any bathroom setting.

SETUP

1. **Install Batteries:** Locate the battery compartment on the underside of the scale. Insert 2 AAA batteries (included) ensuring correct polarity.
2. **Place Scale:** Place the scale on a hard, flat surface for accurate readings. Avoid carpets or uneven flooring.
3. **Download Companion App:** Search for the "SpaStudio" or "Sharper Image Health" companion app on your smartphone's app store (iOS or Android). Download and install the app.
4. **Pair Device:** Open the app and follow the on-screen instructions to pair your scale via Bluetooth or Wi-Fi. Ensure your device's Bluetooth is enabled.
5. **Create User Profile:** Set up your personal profile within the app, including details such as age, height, and gender, to

enable accurate body composition analysis.

OPERATING INSTRUCTIONS

1. **Initial Weigh-in:** Step onto the scale barefoot and stand still. The LED display will show your weight.
2. **Body Composition Analysis:** For full body composition data (BMI, body fat, etc.), ensure your feet are properly placed on the scale's sensors. The data will automatically sync to the companion app.
3. **Using the App:** Open the companion app to view your current and historical weight data, body composition metrics, and track your progress over time. You can switch between user profiles to view individual data.
4. **Setting Goals:** Utilize the app's features to set personal fitness goals and monitor your journey towards achieving them.

MAINTENANCE

- **Cleaning:** Wipe the scale's tempered glass surface with a soft, damp cloth. Do not use abrasive cleaners or immerse the scale in water.
- **Storage:** Store the scale in a cool, dry place. Avoid extreme temperatures or direct sunlight.
- **Battery Replacement:** When the battery indicator appears on the display or in the app, replace the 2 AAA batteries. Ensure the scale is off before replacing batteries.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Scale does not turn on.	Low or dead batteries.	Replace batteries with new AAA batteries.
Inaccurate weight readings.	Scale on uneven surface; not calibrated.	Place scale on a hard, flat surface. Step on and off quickly to re-calibrate to zero.
Cannot connect to app.	Bluetooth/Wi-Fi off; app not updated.	Ensure Bluetooth/Wi-Fi is enabled on your device. Update the app to the latest version. Restart both scale and device.
Body composition data not showing.	Not standing barefoot; profile incomplete.	Ensure you are standing barefoot on the scale. Complete your user profile in the app.

SPECIFICATIONS
