Tiptiper 01

Tiptiper Large Makeup Vanity with Lights

Model: 01

Introduction

Thank you for choosing the Tiptiper Large Makeup Vanity with Lights. This vanity table is designed to provide a comprehensive and convenient space for your beauty routine, featuring ample storage, adjustable lighting, and integrated charging capabilities. Please read this manual carefully before assembly and use to ensure proper setup and long-lasting enjoyment of your new vanity.

Safety Information

- **Sharp Edges:** Exercise caution during assembly and handling as some components may have sharp edges.
- Ensure all screws and fasteners are securely tightened before use to prevent instability.
- Do not overload drawers or shelves beyond their capacity to avoid damage or tipping.
- Keep electrical components (charging station, lights) away from water or excessive moisture.
- Supervise children around the vanity to prevent accidents.

Package Contents

Please verify that all parts are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Vanity Tabletop with Mirror Frame

- 10 LED Light Bulbs
- Charging Station Unit (pre-installed)
- Drawer Components (5 drawers)
- Storage Cabinet with Glass Door
- Metal Legs/Frame
- Assembly Hardware (screws, connectors, tools)
- Instruction Manual (this document)

Setup & Assembly

Assembly of the Tiptiper Large Makeup Vanity is required. Detailed, easy-to-follow assembly instructions are included in a separate guide within your product packaging. Please refer to that guide for step-by-step instructions, diagrams, and a complete list of tools required.
Ensure you have adequate space for assembly and consider having a second person assist for easier and safer setup.

Features & Operation

1. Lighted Mirror with Adjustable Settings

The vanity mirror is equipped with 10 LED bulbs providing super-bright illumination for makeup application and hairstyling. The lights offer three color modes and adjustable brightness.

- **Color Modes:** Warm Yellow, Warm White, and Cool White.
- **Brightness Adjustment:** Use the control panel to increase or decrease light intensity.

2. Integrated Charging Station

A convenient charging station is built into the vanity, allowing you to power your electronic devices and beauty tools directly from your workspace.

- **Outlets:** 2 standard AC plug sockets (125V/12A).
- **USB Ports:** 2 USB ports (5V/2.1A).
- **Power Cord:** 4.6 feet long.

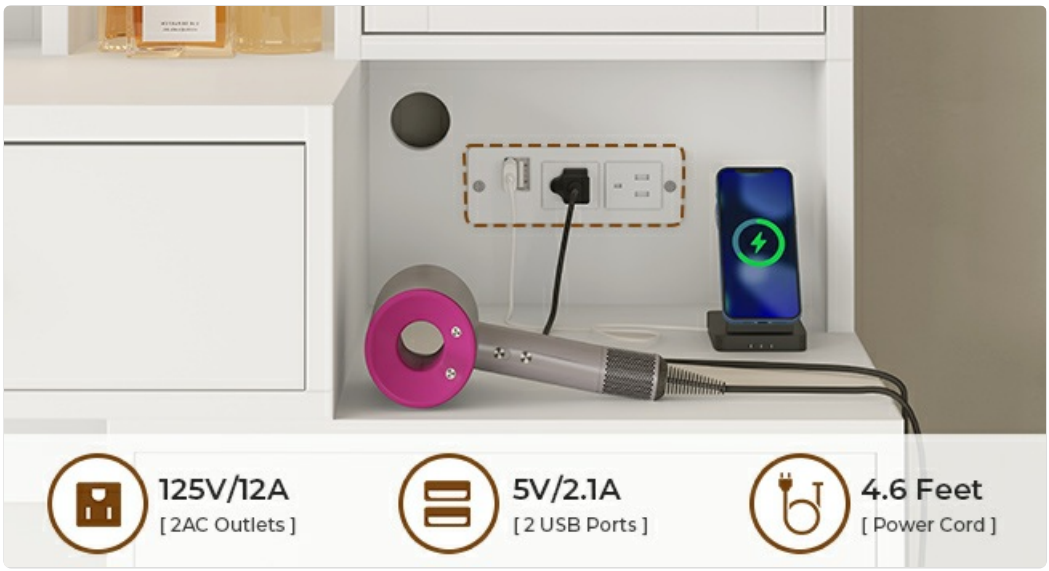

Figure 3: Detail of the integrated charging station.

3. Ample Storage Solutions

The vanity offers extensive storage to keep your cosmetics, tools, and personal items organized and easily accessible.

- **Drawers:** 5 spacious drawers for various items.
- **Open Shelves:** 3 open shelves for display or quick access.
- **Hidden Storage:** 3-layer hidden storage shelves with a glass door, ideal for keeping items dust-free or out of sight.
- **Large Desktop:** A 30.2-inch wide desktop provides ample workspace.

Figure 4: Overview of the vanity's multiple storage options.

Maintenance

- **Cleaning:** Wipe the vanity surfaces with a dry cloth to remove dust and spills. Avoid abrasive cleaners or harsh chemicals.
- **Bulb Replacement:** If an LED bulb needs replacement, ensure the vanity is unplugged. Refer to the assembly guide for specific bulb type and replacement instructions.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight and secure.

Troubleshooting

Problem	Possible Cause	Solution
Lights not turning on.	Power cord not plugged in; loose bulb connection; faulty bulb.	Ensure power cord is securely plugged into a working outlet. Check all bulb connections. Replace faulty bulbs if necessary.
Charging station not working.	Vanity not powered; device not properly connected.	Verify the vanity is plugged in. Ensure devices are correctly inserted into the AC outlets or USB ports.
Drawers are stiff or misaligned.	Improper assembly; obstruction in drawer slides.	Review assembly instructions for correct drawer slide installation. Check for any objects blocking the slides.
Vanity feels wobbly.	Loose screws; uneven floor.	Tighten all assembly screws. Adjust leg levelers if available, or place shims under legs on uneven surfaces.

Answered questions about this manual

Where can I find a replacement USB power cord for the lights on my Tiptiper Large Makeup Vanity (Model 01)?

Finding a specific replacement power cord for the Tiptiper Large Makeup Vanity (Model 01) can be difficult because the LED lighting systems often use proprietary connectors. Based on the manual and product details, here...
