# Flavour Blaster Pro 2 Cocktail Bubble & Smoke Gun Kit Instruction Manual

Model: FB\_KIT\_PRO2\_BLACK

## INTRODUCTION

---

The Flavour Blaster Pro 2 is a handheld device designed to enhance beverages and food with aroma-filled bubbles and fragrant mist. This manual provides essential information for the safe and effective operation, maintenance, and troubleshooting of your Flavour Blaster Pro 2 kit.

## WHAT'S IN THE BOX

---

Your Flavour Blaster Pro 2 kit includes the following components:

- Flavour Blaster Pro 2 Gun
- Micro USB Charging Cable
- Reusable Tank
- 5 Tank Coils
- 2 Citrus Aromas (10ml each)
- Bubble X Solution (180ml)
- Bubble Bowl
- Nozzle Brush
- User Manual

## SETUP

---

1. **Charge the Device:** Connect the Micro USB Charging Cable to the Flavour Blaster Pro 2 Gun and a suitable USB power source. Ensure the device is fully charged before first use. The battery indicator will show charging status.
2. **Install the Tank:** Insert a new tank coil into the reusable tank. Fill the tank with your desired Flavour Blaster Aroma. Securely attach the tank to the top of the Flavour Blaster Pro 2 Gun.
3. **Prepare Bubble X Solution:** Pour a small amount of Bubble X solution into the provided bubble bowl. This solution is used to create the aroma-filled bubbles.

## OPERATING INSTRUCTIONS

Follow these steps to operate your Flavour Blaster Pro 2:

1. **Power On:** Press the power button to turn on the Flavour Blaster Pro 2.
2. **Create Aroma Mist:** Point the gun towards your drink or food and press the trigger to release a fragrant mist.
3. **Create Aroma Bubbles:** Dip the nozzle of the gun into the Bubble X solution in the bubble bowl. Ensure the nozzle is fully coated.
4. **Release Bubble:** Position the coated nozzle above your drink or food and gently press the trigger. A large, aroma-filled bubble will form. Release the trigger to detach the bubble.
5. **Experiment:** Try different aromas and techniques to achieve desired effects.

## MAINTENANCE

---

Proper maintenance ensures the longevity and optimal performance of your Flavour Blaster Pro 2.

- **Cleaning the Nozzle:** After each use, gently clean the nozzle with the provided nozzle brush to prevent residue buildup.

- **Tank and Coil Replacement:** Replace the tank coil regularly, especially when changing aromas or if vapor production decreases. Ensure the tank is clean before refilling.
- **Storage:** Store the Flavour Blaster Pro 2 in a cool, dry place away from direct sunlight. Ensure the tank is empty or securely sealed during storage.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
No vapor/bubble production	Low battery, empty tank, clogged coil, incorrect tank installation.	Charge the device, refill the tank, replace the coil, ensure tank is correctly installed.
Weak vapor/bubble	Low battery, low aroma liquid, worn-out coil.	Charge the device, refill aroma, replace the coil.
Leaking tank	Improperly installed coil, damaged tank seal.	Ensure coil is tightly secured, replace the tank if damaged.
Device not turning on	Depleted battery, device malfunction.	Charge the device for at least 2 hours. If issue persists, contact support.
