Sembo Block 607049

Sembo Block Famous Car Santmder Building Kit

Model: 607049

INTRODUCTION

This instruction manual provides essential information for the assembly, use, and maintenance of your Sembo Block Famous Car Santmder building kit, Model 607049. This kit is designed to enhance creativity, fine motor skills, and problem-solving abilities through construction play. Please read this manual thoroughly before beginning assembly.

SAFETY INFORMATION

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended for younger children.
- Keep all packaging materials away from children to prevent suffocation.
- Do not put blocks in mouth.
- Ensure all pieces are securely connected during assembly to prevent accidental detachment.

PACKAGE CONTENTS

Before starting assembly, please verify that all components are present. The kit includes:

- Building blocks for the Famous Car Santmder (182+ pieces).
- Instruction booklet for assembly.
- Additional components for 7-in-1 mechanical building set and a bonus model.
- 25 spare parts.
- Reusable storage box with handle.
- Double-sided playing mat.

ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included instruction booklet to assemble your Sembo Block Famous Car Santmder. This kit allows for the construction of multiple models, including a car, airplane, motorcycle, helicopter, tractor, forklift, and buggy, plus a bonus model.

1. **Preparation:** Unpack all components from the storage box. Lay out the pieces on a clean, flat surface, preferably on the provided double-sided playing mat.
2. **Identify Parts:** Refer to the parts list in the instruction booklet to familiarize yourself with the different block types and quantities.
3. **Follow Steps:** Begin assembly by following the numbered steps in the instruction booklet. Each step will illustrate which blocks to use and how to connect them.
4. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable structure.
5. **Review:** After completing each major section, review the assembly to ensure all parts are correctly placed according to the diagrams.

6. **Multiple Models:** To build alternative models (airplane, motorcycle, etc.), disassemble the current model carefully and follow the specific instructions for the desired new model.

If you encounter any difficulties, double-check the instruction booklet or refer to the visual guides provided within the manual.

OPERATING INSTRUCTIONS

Once assembled, the Sembo Block Famous Car Santmder and its alternative models are ready for imaginative play. These models are designed for display and gentle interaction.

- **Play:** Engage in creative play scenarios with the assembled model.
- **Display:** The finished model can be proudly displayed on a shelf or desk.
- **Disassembly:** To build a different model or for storage, carefully disassemble the blocks by gently pulling them apart. Avoid excessive force to prevent damage.

MAINTENANCE

- **Cleaning:** To clean the blocks, wipe them with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, store all blocks and the instruction booklet in the provided sturdy plastic box. This helps prevent loss of pieces and keeps the set organized.
- **Avoid Extreme Conditions:** Keep the blocks away from direct sunlight, high temperatures, and excessive moisture to prevent warping or discoloration.

TROUBLESHOOTING

- **Missing Pieces:** Carefully check the packaging and the playing mat. If a piece is genuinely missing, contact customer support (see Warranty and Support section).
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly. Apply gentle, even pressure. If a block is consistently difficult, check for any deformities.
- **Model Instability:** Re-examine the assembly steps to ensure all connections are secure and blocks are placed in the correct orientation.

SPECIFICATIONS

Model Number	607049
Number of Pieces	182+
Material Type	Plastic
Color	Multicolor (Mainly Red for the car model)
Recommended Age	6 - 18 years
Educational Objective(s)	Creativity, Fine Motor Skills, STEM
