MERITLINE B0BFLCKLSR

MERITLINE L-Shaped Metal Triple Bunk Bed Instruction Manual

Model: B0BFLCKLSR | Brand: MERITLINE

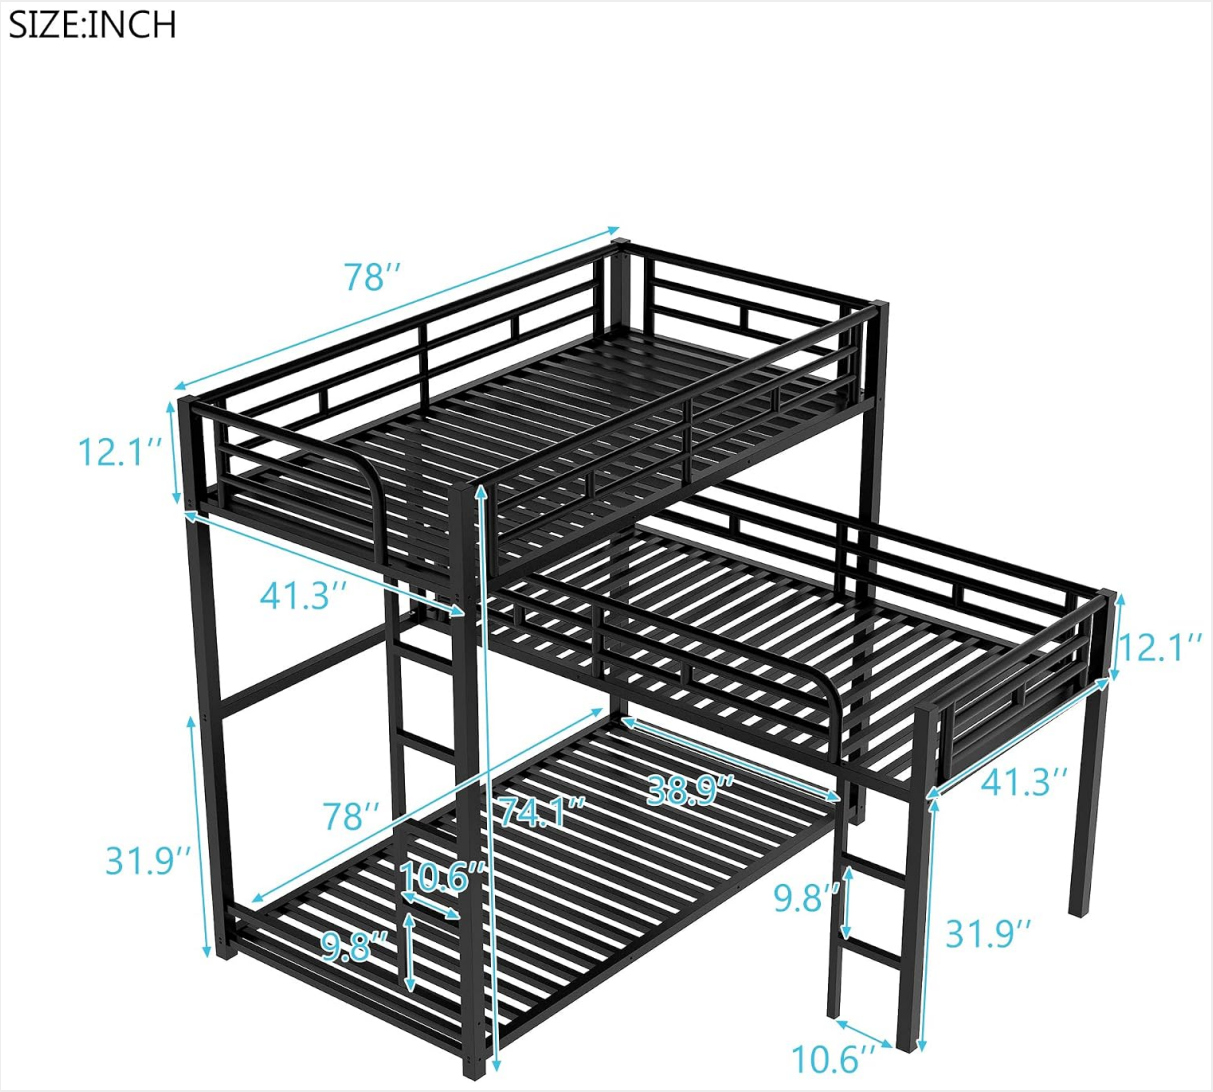

Important Safety Information

Failure to follow these warnings could result in serious injury.

- Do not use the upper bed for children under 6 years of age.
- Be cautious of sharp metal edges during assembly and use.
- Do not exceed the weight limit of 200 lbs on the upper bed.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten fasteners.
- Use only mattresses that are 6 to 8 inches thick for the upper, middle, and lower beds.
- Always use the provided ladders for access to the upper and middle bunks.
- This product is designed for indoor use only.

Product Overview

The MERITLINE L-Shaped Metal Triple Bunk Bed is a versatile and space-saving solution designed for kids, teens, and adults. This 3-in-1 bunk bed features a sturdy metal frame, integrated guardrails, and multiple ladders, configured to fit efficiently in a room's corner. It offers maximized sleeping capacity and under-bed storage options.

Setup & Assembly Instructions

This bunk bed comes with detailed instructions for convenient step-by-step assembly. It is recommended to have at least two adults for assembly. Please ensure all parts are present and undamaged before beginning.

Assembly Video Guide:

Detailed product assembly video for the MERITLINE L-Shaped Triple Bunk Bed.

General Assembly Steps:

1. Unpack all components and verify against the parts list in your included manual.
2. Assemble the individual bed frames (top, middle, and bottom) according to the provided diagrams, securing all bolts.
3. Attach the bed slats to each frame.

4. Connect the assembled bed frames to form the L-shaped structure, ensuring all connections are tight.
5. Install the safety guardrails and ladders securely.
6. Double-check all fasteners to ensure they are fully tightened before placing mattresses.

Operating Instructions

- **Mattress Placement:** Place twin-size mattresses on each bunk. Recommended mattress thickness is 6 to 8 inches.
- **Weight Limits:** The upper bed has a weight limit of 200 lbs. The middle and lower beds have higher weight capacities, refer to your included manual for exact figures.
- **Ladder Use:** Always use the provided ladders for safe access to the upper and middle bunks. Do not jump on or off the beds.
- **Under-Bed Storage:** Utilize the space under the lower beds for storing items like toys and bedding to maximize room efficiency.

Maintenance

- **Cleaning:** Clean the metal frame with a soft, damp cloth and mild soap. Avoid abrasive cleaners that may damage the finish.
- **Fastener Check:** Periodically (e.g., monthly) inspect all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain structural integrity and safety.
- **Structural Integrity:** Regularly check the bed frame for any signs of damage, wear, or loose parts. Discontinue use if any significant damage is found and contact customer support.

Troubleshooting

- **Squeaking Noises:** If the bed makes squeaking noises, check all bolts and connections. Tighten any loose fasteners. Applying a small amount of lubricant to metal-on-metal contact points may also help.
- **Wobbling:** Ensure the bed is placed on a flat, level surface. Check that all support legs are evenly touching the floor and all assembly bolts are securely tightened.
- **Difficulty Assembling:** Refer to the detailed assembly video and manual. Ensure you are using the correct screws and parts for each step. Do not force parts together.

Warranty and Support

For any questions, concerns, or to report missing/damaged parts, please contact MERITLINE customer service. Keep your purchase receipt and model number (B0BFLCKLSR) handy for faster service. Specific warranty details can be found in the documentation included with your product or by contacting customer support.
