4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. The case has a USB Type-C port for charging.

1. Place both earbuds into the charging case.
2. Connect the USB Type-C cable to the charging port on the case and the other end to a USB power source (e.g., wall adapter, computer USB port).
3. The LED indicators on the case will illuminate during charging and turn off or change color when fully charged.

4.2 Bluetooth Pairing

To connect your earbuds to a device:

1. Open the charging case. The earbuds will automatically enter pairing mode, indicated by flashing LED lights.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "Lenovo GM2 Pro" from the list.
4. Once connected, the LED lights on the earbuds will stop flashing or change to a steady light, and you will hear a confirmation tone.
5. For subsequent uses, the earbuds will automatically connect to the last paired device when removed from the case.

5. OPERATING INSTRUCTIONS

5.1 Touch Controls

The Lenovo GM2 Pro earbuds feature intuitive touch controls on each earbud. Specific functions may vary slightly depending on the device and application, but common controls include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud.
- **Activate Voice Assistant:** Triple tap on either earbud.
- **Switch Gaming/Music Mode:** Press and hold for 2 seconds on the right earbud.

5.2 Dual Mode (Music & Gaming)

The earbuds support a dual-mode function, allowing you to switch between music mode for high-fidelity audio and gaming mode for ultra-low latency. This ensures synchronized audio and video during gameplay.

5.3 HD Call Functionality

Equipped with a built-in microphone, the earbuds provide clear HD call quality, making them suitable for hands-free communication.

6. MAINTENANCE

6.1 Cleaning

Regular cleaning helps maintain optimal performance and hygiene:

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- Gently remove any earwax or debris from the ear tips and speaker mesh using a small, clean brush or cotton swab.
- Do not use abrasive cleaners, alcohol, or chemical sprays.

6.2 Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged.

7. TROUBLESHOOTING

If you encounter issues with your Lenovo GM2 Pro Earbuds, try the following solutions:

- **Earbuds not pairing:** Ensure both earbuds are in the charging case, then open the lid to activate pairing mode. Make sure Bluetooth is enabled on your device and no other devices are connected to the earbuds.
- **No sound from one earbud:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then open it again. This often re-syncs them.
- **Charging issues:** Check the USB Type-C cable and power source. Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
- **Low volume or poor sound quality:** Adjust the volume on your device. Ensure the ear tips are properly seated in your ears to create a good seal. Clean any debris from the speaker mesh.
- **Earbuds not responding to touch controls:** Ensure your fingers are clean and dry. Try resetting the earbuds (refer to specific reset instructions if available in a separate quick start guide).
