UPBRIGHT INSE V120 Power Supply

UpBright AC/DC Adapter User Manual

MODEL: INSE V120 POWER SUPPLY

1. PRODUCT OVERVIEW

The UpBright AC/DC Adapter is a high-quality power supply unit designed for specific electronic devices. This adapter is compatible with the INSE V120 25.9V 2500mAh 64.75Wh DC25.9V Li-ion Battery Pack, commonly found in INSE V120 Stick Cordless Vacuum Cleaners. It provides the necessary voltage and current for efficient charging and operation.

2. PACKAGE CONTENTS

Please ensure all items are present in the package:

- 1 x UpBright AC/DC Adapter

3. SETUP INSTRUCTIONS

Connecting the Adapter

1. Ensure the adapter's output voltage and current match the requirements of your device (e.g., INSE V120 vacuum cleaner battery).
2. Plug the DC barrel connector of the adapter firmly into the charging port of your device.

3. Insert the two-prong plug of the adapter into a standard 100-240VAC 50/60Hz wall outlet.
4. Confirm that any charging indicators on your device activate, signifying a successful connection and charging process.

4. OPERATION GUIDE

Charging Your Device

Once connected, the adapter will begin supplying power to your compatible device. For devices with rechargeable batteries, the adapter facilitates the charging process. Monitor your device's charging indicator to confirm it is receiving power.

Important Note on Batteries:

Rechargeable batteries have a finite lifespan, typically 1 to 3 years. If your device's battery is old or completely drained, it may not accept a charge immediately or at all. This is often a battery issue, not a charger malfunction. If you suspect a problem, refer to the troubleshooting section.

UpBright AC Adapter Power Supply Compatible with:

(Machine not Included)

5. CARE AND MAINTENANCE

- **Keep Dry:** Avoid exposing the adapter to water or high humidity.
- **Temperature:** Do not operate the adapter in extreme temperatures. Store it in a cool, dry place.
- **Cleaning:** Clean the adapter with a soft, dry cloth. Do not use liquid cleaners or aerosols.
- **Cable Care:** Do not bend or crimp the power cord excessively. Avoid placing heavy objects on the cord.
- **Unplug When Not in Use:** For safety and energy conservation, unplug the adapter from the wall outlet when not in use for extended periods.

6. TROUBLESHOOTING

Common Issues and Solutions

- **Device Not Charging:**
 - Ensure the adapter is securely plugged into both the wall outlet and the device.
 - Verify the wall outlet is functional by testing it with another appliance.
 - As noted in the operation guide, a completely drained or old battery may not accept a charge. If unsure whether the battery or charger is at fault, a voltmeter can be used to test the charger's output.

- **Adapter Overheating:**
 - Unplug the adapter immediately.
 - Ensure there is adequate ventilation around the adapter. Do not cover it.
 - If overheating persists, discontinue use and contact support.

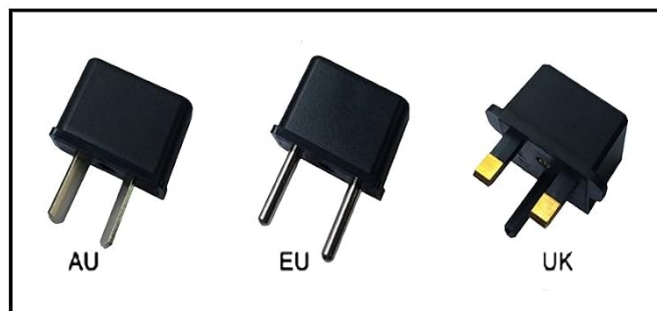

7. TECHNICAL SPECIFICATIONS

Feature	Specification
Brand	UPBRIGHT
Model Number	INSE V120 Power Supply
Input Voltage	100-240VAC 50/60Hz (World Wide)
Output Voltage	30V / 32V DC
Output Current	800mA (0.8A)
Connectivity Technology	DC Barrel
Compatible Devices	Vacuum Cleaner (INSE V120)
Item Weight	5 ounces
Product Dimensions	3 x 3 x 1 inches
Protection Features	OVP, OCP, SCP (Over Voltage, Over Current, Short Circuit Protection)

8. WARRANTY AND SUPPORT

This UpBright product comes with a **30-day refund policy** and a **24-month exchange warranty**. For any issues or support inquiries, please contact the manufacturer, UpBright, through your purchase platform or their official channels.
