SAFETY INFORMATION

Please read and understand all safety warnings and instructions before assembling or operating this product. Failure to follow these instructions may result in property damage or personal injury.

- This product is intended for outdoor use only.
- Ensure all components are securely fastened during assembly.
- Do not overload the countertop or storage area.
- Keep children and pets away from the unit during assembly and operation.
- Always use caution when handling tools during assembly.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Corner Module Unit (with pre-installed granite countertop)
- Assembly Hardware (bolts, washers, nuts, interlocking brackets)
- Instruction Manual

SETUP AND ASSEMBLY

Assembly of the corner module is required. It is recommended to have two people for easier and safer assembly.

Step 1: Unpacking

Carefully remove all components from the packaging. Place them on a soft, clean surface to prevent scratches. Retain packaging materials until assembly is complete.

Step 2: Positioning the Module

Determine the desired location for your corner module within your Medallion Series outdoor kitchen layout. Ensure the area is level and stable.

Step 3: Interlocking with Other Modules

Align the corner module with adjacent Medallion Series modules. Use the provided interlocking brackets and hardware to securely connect the units. Ensure a snug fit to maintain stability and alignment across the kitchen.

Step 4: Leveling the Unit

The module features height-adjustable legs. Use these to level the unit on uneven surfaces, ensuring the countertop is flat and stable. Adjust each leg individually until the module is firm and does not wobble.

OPERATING INSTRUCTIONS

The corner module provides additional granite countertop space for food preparation and serving, as well as enclosed storage below.

- **Countertop Use:** Utilize the durable granite surface for preparing meals, holding serving dishes, or as a general workspace. Avoid placing extremely hot items directly on the granite without protection.
- **Storage Access:** The module features two front-opening doors for accessing the internal storage compartment. This space is suitable for storing outdoor kitchen accessories, cleaning supplies, or other items that need protection from the elements.

Compatible with the Medallion Series™ Modular Outdoor Kitchen

Maximum Preparation and Storage Space

MAINTENANCE AND CARE

Regular cleaning and maintenance will prolong the life and appearance of your corner module.

- **Granite Countertop:** Clean the granite surface with a mild soap and water solution. Wipe dry with a soft cloth. Avoid abrasive cleaners or harsh chemicals that can damage the stone. Periodically, a granite sealer can be applied to maintain its luster and stain resistance.
- **Stainless Steel and Painted Surfaces:** Wipe down stainless steel and painted components with a damp cloth and mild detergent. Dry thoroughly to prevent water spots or corrosion. Do not use steel wool or abrasive pads on stainless steel.
- **General Cleaning:** Keep the interior storage area clean and dry. Remove any debris or spills promptly.

TROUBLESHOOTING

If you encounter issues with your corner module, refer to the following common solutions:

- **Module is not level:** Adjust the height-adjustable legs on the bottom of the unit until the countertop is level and stable.
- **Modules are not connecting securely:** Ensure all interlocking brackets are correctly positioned and tightened. Check for any obstructions between the modules.
- **Doors are misaligned or sticking:** Check the door hinges for proper installation and tightness. Minor adjustments to hinge screws may resolve alignment issues.

SPECIFICATIONS

Feature	Detail
Brand	Char-Broil
Model Number	463246718
Product Dimensions (D x W x H)	21.6" x 38.3" x 35.6"
Item Weight	90 Pounds
