

Epson L1250

Epson EcoTank L1250 Printer User Manual

Model: L1250

1. INTRODUCTION AND OVERVIEW

This manual provides essential instructions for setting up, operating, maintaining, and troubleshooting your Epson EcoTank L1250 A4 ink tank printer. The L1250 is designed for home use, offering ultra-low-cost printing with its integrated ink tank system and convenient wireless connectivity.

Key features include:

- Integrated ink tank system for high-volume, low-cost printing.
- Wireless connectivity via Wi-Fi and Wi-Fi Direct.
- Compatibility with the Epson Smart Panel app for mobile printing and control.
- Mess-free ink refilling system.

Figure 1: The Epson EcoTank L1250 A4 ink tank printer, showcasing its compact design and front-loading paper tray.

2. SETUP

2.1 Unboxing and Initial Placement

Carefully remove the printer from its packaging. Ensure all protective tapes and materials are removed. Place the printer on a stable, flat surface with adequate space around it for ventilation and paper handling.

2.2 Filling the Ink Tanks

The EcoTank L1250 uses a mess-free refill system. Open the ink tank unit cover. Match the color of the ink bottle to the corresponding ink tank. Invert the ink bottle and insert it into the tank's filling port. The ink will flow automatically and stop when the tank is full. Do not squeeze the bottle. Repeat for all colors (Black, Cyan, Magenta, Yellow).

Figure 2: Demonstrating the mess-free ink refilling process for the EcoTank L1250.

2.3 Power Connection

Connect the power cord to the printer and then to a power outlet. Press the power button to turn on the printer.

2.4 Software Installation and Network Setup

Install the printer drivers and software from the Epson website or the included CD (if applicable). Follow the on-screen instructions to connect the printer to your Wi-Fi network. The Epson Smart Panel app can also guide you through the setup process and enable wireless printing from your smart devices.

Figure 3: The Epson Smart Panel app facilitating wireless printing and setup with the L1250 printer.

3. OPERATING THE PRINTER

3.1 Loading Paper

Open the rear paper support and pull out the extension. Load paper into the sheet feeder, print side up. Adjust the edge guides to fit the paper width. The printer supports various paper sizes, including A4, and different media types like glossy photo paper.

3.2 Printing from a Computer

After installing the drivers, select your Epson L1250 printer from your application's print dialog. Adjust print settings such as paper size, print quality, and color options as needed. Click 'Print' to send the job to the printer.

3.3 Printing from a Smart Device (Epson Smart Panel App)

Download and open the Epson Smart Panel app on your smartphone or tablet. Ensure your device is connected to the same Wi-Fi network as the printer. The app allows you to select documents or photos from your device, adjust print settings, and initiate printing directly.

Figure 4: The Epson EcoTank L1250 printer set up on a desk, ready for use, with its accompanying ink bottles.

4. MAINTENANCE

4.1 Checking Ink Levels

Visually inspect the ink tanks on the front of the printer. The transparent tanks allow you to easily monitor ink levels. You can also check ink levels through the Epson Smart Panel app or the printer status monitor on your computer.

4.2 Refilling Ink Tanks

When an ink tank is low, refill it using genuine Epson ink bottles as described in Section 2.2. Regular refilling before tanks run completely dry helps maintain print quality and prevents air from entering the ink system.

4.3 Print Head Cleaning

If print quality declines (e.g., missing lines, incorrect colors), perform a print head cleaning. This can be done through the printer's utility software on your computer or via the Epson Smart Panel app. Refer to the software's help section for detailed steps.

4.4 Nozzle Check

After a print head cleaning, perform a nozzle check to verify if the print quality has improved. This prints a pattern that shows if all nozzles are firing correctly.

5. TROUBLESHOOTING

This section addresses common issues you might encounter with your Epson EcoTank L1250 printer.

5.1 Printer Not Responding

- Ensure the printer is powered on and connected to a power outlet.
- Check the USB cable connection (if using USB) or Wi-Fi connection status.
- Restart both the printer and your computer/smart device.

5.2 Poor Print Quality

- Check ink levels and refill any low tanks.
- Perform a nozzle check and print head cleaning (refer to Section 4.3 and 4.4).
- Ensure you are using appropriate paper for your print settings.

5.3 Paper Jams

- Turn off the printer and carefully remove any jammed paper from the input tray, output tray, or inside the printer.
- Ensure paper is loaded correctly and not exceeding the maximum sheet capacity.

5.4 Wi-Fi Connectivity Issues

- Verify your Wi-Fi router is working correctly.
- Ensure the printer is within range of your Wi-Fi router.
- Try re-establishing the Wi-Fi connection using the Epson Smart Panel app or the printer's control panel.

6. SPECIFICATIONS

Feature	Specification
Model Name	L1250
Item Model Number	C11CJ71403
Printer Technology	Inkjet
Connectivity Technology	Wi-Fi
Printer Output	Color
Maximum Color Print Resolution	4800 x 1200 dpi
Maximum Print Speed (Color)	33 ppm
Maximum Print Speed (Black and White)	15 ppm
Paper Size	A4
Maximum Media Size	8.5 x 11 inch
Maximum Sheet Capacity	100
Dual-sided printing	Yes
Item Dimensions (D x W x H)	34.7D x 37.5W x 16.9H centimeters
Item Weight	4.66 Kilograms
Included Components	Ink Bottles

EcoTank L1500

Enjoy wireless printing and an ultra-low cost per page with this cartridge-free EcoTank printer, perfect for home, busy households.

Saves up to 90% on printing costs* with Epson's cartridge-free EcoTank printers. Stacked with high yield ink bottles, the innovative tanks are easy to fill. No ink cartridges. No ink waste. No ink to replace. No ink to dispose. Cartridge-free. It's the perfect printer for anyone looking for high quality prints at an incredibly low cost per page.

Stay good to carriages
High-capacity ink bottles (up to 1.1L) allow tanks to last almost six weeks and the low-ink bottles are designed to give the correct color when you need it.

Keep on page
The economical printer saves you up to 90% on printing costs* and comes with up to 1 year* of ink included in the tank. Print up to 1,100 pages in black and 5,500 in color* with the included ink, and a replacement set of ink bottles covers the equivalent of up to 145 cartridges with ink*!

Modern flexibility
Easily integrate the printer with your existing home set up and print from mobiles, tablets and laptops. Plus, with Epson Smart Panel app you can control your printer from the palm of your hand. Print documents and photos, set ink, monitor and troubleshoot, all from your phone or tablet.

Packed with features
Including a 150 sheet paper tray, borderless photo printing (up to 15x10cm) and print speeds of up to 10 pages per minute, you're speeded through a variety of tasks with ease.

KEY FEATURES

- Ultra-ink cost printing**
Saves up to 90% on printing costs*
- Up to 1 year* of ink in the tank**
Includes 1.1L capacity ink-bottles and prints up to 1,100 pages*
- High-speed document & photo print**
Prints up to 10 ppm* with one tank
- Single sheet of ink system**
One tank per color
- Hands-free with Wi-Fi system**
Easily connect mobile with Wi-Fi
- Epson Smart Panel app**
Remotely control your printer and see how much ink you have left

Cloud

Mobile

Print

KEY FEATURES

- **Single-cartridge printer** Print everything in just one tank. Includes 1,100 pages of ink in black and 6,000 in color.
- **Mobile-free ink tank system** Easy access to ink tanks with key lock. Refill and reuse ink tank.
- **Epson Smart Panel app** Monitor ink levels, print and more from your smart device.

At colour printer with Wi-Fi

With no cartridges to replace, and flexible connectivity features, this is the perfect printer for anyone looking for high-quality prints at an incredibly low cost per page. Featuring a 100-sheet rear paper tray, borderless photo printing for 100 sheets and print speeds of up to 10 pages per minute*, you can speed through a variety of tasks with ease.

Buy goodby to expensive cartridges

EcoTank provides borderless low-cost home printing - the ultra-high capacity ink tanks allow more than 100 pages of ink in the tank. The included set of ink bottles allows up to 3 years' worth of ink, included in the tank. The included set of ink bottles allows up to 3 years' worth of ink, included in the tank.

Keep on saving

The economical printer saves you up to 90% on printing costs* and comes with up to 3 years' worth of ink, included in the tank. The included set of ink bottles allows up to 3 years' worth of ink, included in the tank.

Epson Smart Panel app

The app enables you to control your printer from your smart device. You can set up Wi-Fi quickly and easily, print documents and photos, monitor and troubleshoot your printer.

Modern Reliability

Featuring a compact design and Wi-Fi and 60W Direct connectivity, the printer can be easily integrated with your existing home set-up and print from mobile, tablets and laptops.
