Flieks GX001513

Flieks Twin Upholstered Daybed with Trundle and 3 Drawers

Model: GX001513

1. INTRODUCTION AND OVERVIEW

This manual provides detailed instructions for the assembly, operation, and maintenance of your Flieks Twin Upholstered Daybed with Trundle and Three Drawers. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Image 1.1: Assembled Fliks Twin Upholstered Daybed with Trundle and 3 Drawers.

The Fliks Daybed is designed to offer versatile sleeping and seating solutions, featuring a main twin-size bed, a pull-out twin trundle, and three integrated storage drawers. Its upholstered design provides comfort and a modern aesthetic.

2. SAFETY INFORMATION

- **Weight Capacity:** The main daybed supports up to 300 lbs. The trundle bed supports up to 300 lbs. Do not exceed these weight limits to prevent damage or injury.
- **Assembly:** Ensure all parts are correctly assembled and all fasteners are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- **Placement:** Place the daybed on a flat, stable surface. Avoid placing it near heat sources or in direct sunlight to prevent material degradation.
- **Children:** Supervise children when they are using the daybed, especially the trundle and drawers, to prevent accidents.
- **Cleaning:** Follow the care instructions to avoid damaging the upholstery.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Daybed Frame (Headboard, Footboard, Side Rails)
- Trundle Bed Frame
- Three Storage Drawers
- Wood Slats for Main Bed and Trundle
- Hardware Pack (screws, bolts, washers, Allen wrench)
- Assembly Instructions Manual (this document)

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this daybed. Please follow the detailed step-by-step instructions provided in the separate assembly guide included in your package. Ensure you have adequate space and a clean area for assembly.

1. **Unpack:** Carefully remove all components from the packaging and lay them out on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the assembly guide to identify each component and hardware piece.
3. **Assemble Main Daybed Frame:** Follow the instructions to connect the headboard, footboard, and side rails.
4. **Install Wood Slats:** Securely attach the wood slats to the main daybed frame.
5. **Assemble Trundle Frame:** Construct the trundle bed frame according to the guide.
6. **Assemble Drawers:** Put together the three storage drawers.

7. **Insert Trundle and Drawers:** Slide the assembled trundle and drawers into their designated positions under the main daybed.
8. **Final Check:** Ensure all connections are tight and the daybed is stable before placing mattresses.

5. OPERATING INSTRUCTIONS

The Flieks Daybed offers flexible functionality with its pull-out trundle and storage drawers.

5.1 Using the Trundle Bed

- To extend the trundle, gently pull the handle or front panel of the trundle outwards from under the main daybed. The trundle is equipped with wheels for smooth movement.
- To retract the trundle, push it back under the main daybed until it is fully nested.
- Ensure no obstructions are in the path of the trundle when extending or retracting.

Image 5.1: Daybed with trundle extended for use.

5.2 Using the Storage Drawers

- The three drawers are located beneath the trundle. Pull them outwards to access storage space.
- Push the drawers back in until they are flush with the daybed frame for a neat appearance.
- Avoid overloading the drawers to ensure smooth operation and prevent damage.

6. MAINTENANCE AND CARE

- **Upholstery Care:** The upholstered fabric requires dry cleaning only. Do not machine wash or tumble dry. For minor spills, blot immediately with a clean, dry cloth.
- **Frame Cleaning:** Wipe the wooden or metal parts of the frame with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten as necessary to maintain stability and safety.
- **Moving the Daybed:** When moving the daybed, lift it rather than dragging it to prevent damage to the legs and frame.

7. TROUBLESHOOTING

- **Squeaking Noises:** If the daybed squeaks, check all hardware connections and tighten any loose bolts or screws. Ensure slats are properly seated.
- **Trundle/Drawers Not Sliding Smoothly:** Check for any obstructions under the daybed or in the drawer tracks. Ensure the wheels are clean and free of debris.
- **Parts Not Aligning During Assembly:** Double-check the orientation of parts against the assembly instructions. If holes do not align, ensure you are using the correct parts for that step. In rare cases, minor adjustments or re-drilling may be necessary, but contact customer support before attempting this.
- **Missing Parts:** If any parts are missing from your package, refer to the parts list in the assembly guide and contact customer support immediately for replacements.

8. SPECIFICATIONS

Model Number	GX001513
Product Dimensions (L x W x H)	80.3" x 94.9" x 37.6"
Color	Green
Material	Linen
Compatible Mattress Size	Twin
Item Weight	150 pounds
Weight Capacity (Main Bed)	300 lbs
Weight Capacity (Trundle)	300 lbs
