# **Babyletto Yuzu All-Stages Convertible Crib Instruction Manual**

Model: M23401N

## **INTRODUCTION**

The Babyletto Yuzu 8-in-1 All-Stages Convertible Crib is designed to adapt to your child's growth from newborn to junior bed. Featuring gently curved corners and feet, this versatile crib offers multiple configurations and mattress height options to suit various developmental stages. All necessary conversion kits are included with your purchase, providing a complete solution for your child's sleeping needs.

## **SAFETY INFORMATION**

Your child's safety is our top priority. The Babyletto Yuzu Crib is Greenguard Gold Certified, meaning it has undergone rigorous scientific testing for over 10,000 chemical emissions and VOCs, contributing to cleaner indoor air. It is finished with a non-toxic and lead-safe painting process that exceeds ASTM International and U.S. CPSC safety standards.

- Always follow assembly instructions carefully.
- Ensure all hardware is securely tightened before use and periodically check for loose fittings.
- Do not use the crib if any parts are missing, damaged, or broken. Contact customer support for replacement parts.
- For infants, always place your baby on their back to sleep.
- Remove all soft bedding, bumpers, pillows, and stuffed animals from the crib when your baby is sleeping to prevent suffocation hazards.
- Adjust the mattress height according to your child's developmental stage to prevent falls.

## **WHAT'S INCLUDED**

Your Babyletto Yuzu All-Stages Convertible Crib package includes:

- All hardware and parts required for all 8 conversion stages.
- 1-inch bassinet pad.
- Custom 2-inch midi pad (note: this is not a standard mini crib size).
- Toddler Bed Conversion Kit.

*Please note: A standard crib mattress for the full-size crib and junior bed configurations must be purchased separately.*

## SETUP AND ASSEMBLY

---

Assembly of the Babyletto Yuzu Crib is required. While it can be completed by one person, having a second person may make the process easier. The estimated assembly time is approximately 30-45 minutes. All necessary tools, such as an Allen wrench, are typically included.

Follow the step-by-step instructions provided in the printed manual included in your packaging. Ensure all components are correctly identified and securely fastened.

## CONVERSION INSTRUCTIONS

---

The Yuzu Crib offers 8-in-1 convertibility, allowing it to transform through various stages to accommodate your child's growth:

1. **Bassinet (Newborn - 3 months):** Compact and portable for early stages.
2. **Midi Crib (Newborn - 2 years):** A transitional size offering more space than a bassinet.
3. **Midi Toddler Bed (1 - 2 years):** Converts from the midi crib for toddlers.
4. **Midi Daybed (1 - 2 years):** Converts from the midi crib, offering an open side.
5. **Standard Crib (Newborn - 3 years):** Full-size crib for extended use.
6. **Toddler Bed (1.5 - 2.5 years):** Converts from the standard crib.
7. **Daybed (2.5 - 5 years):** Converts from the standard crib, offering an open side.
8. **Junior Bed (2.5 - 5 years):** A larger bed option for older toddlers and preschoolers.

Refer to the detailed diagrams and instructions in your included manual for specific steps on converting between each stage. All necessary conversion parts are provided.

### Adjustable Mattress Heights

The Yuzu Crib features adjustable mattress heights to ensure safety and convenience as your child grows:

- **Bassinet and Midi Stages:** Four height options.
- **Standard Crib Stage:** Three height options.

Always use the lowest mattress position once your child can sit up unassisted or pull themselves to a standing position.

## OPERATING INSTRUCTIONS

The Babyletto Yuzu Crib is designed for ease of use and portability:

- **Portability:** In the bassinet and midi stages, the crib glides easily from room to room on removable locking caster wheels. Engage the wheel locks when the crib is in its desired position to ensure stability.
- **Adjusting Mattress Height:** To adjust the mattress height, carefully remove the mattress support and reposition it to the desired height setting, ensuring all fasteners are securely re-engaged. Always ensure the mattress support is level and stable.

## MAINTENANCE

To maintain the quality and longevity of your Babyletto Yuzu Crib:

- **Cleaning:** Wipe the crib surfaces with a damp cloth. Avoid using abrasive cleaners or harsh chemicals that could damage the finish.
- **Inspections:** Periodically inspect all screws, bolts, and other hardware to ensure they are tight and secure.
- **Storage:** If disassembling for storage, keep all parts and hardware in a safe, dry place, ideally in their original packaging, to prevent loss or damage.

## TROUBLESHOOTING

If you encounter any issues with your Babyletto Yuzu Crib, please refer to the following general troubleshooting tips:

- **Wobbling:** Check all screws and bolts to ensure they are fully tightened. Uneven assembly can cause

wobbling.

- **Difficulty Converting:** Ensure all previous hardware is removed and new hardware is correctly aligned according to the conversion instructions. Sometimes, a slight adjustment or re-alignment of pieces is needed.
- **Damaged Parts:** Do not attempt to repair damaged parts yourself. Contact Babyletto customer support for genuine replacement parts.
