SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- This product has a weight limit of **450 lbs (approximately 204 kg)**. Do not exceed this weight capacity.
- For user safety, it is recommended to anchor the desk to the wall if it is not freestanding, especially if heavy items are placed on the monitor stand or shelves.
- Always maintain a stable workspace. Ensure all screws and fasteners are tightened securely before use.
- Be cautious when handling heavy components during assembly. It is recommended to assemble with at least two people.
- Use tools safely and follow the assembly instructions provided.
- Keep small parts and packaging materials away from children.

PARTS LIST

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included assembly manual for a detailed list of components and hardware. Typically, the package includes:

- Desktop panels (L-shaped sections)
- Monitor stand shelf
- Metal frame components (legs, supports, braces)
- Storage shelves
- Drawer components (panels, glides, handles)
- Assembly hardware (screws, bolts, nuts, washers)
- Assembly tools (e.g., Allen wrench, screwdriver)
- Adjustable foot pads

SETUP AND ASSEMBLY

Assembly is required for this desk. It is recommended to have two people for easier and safer assembly. All necessary tools are included.

1. **Prepare the Area:** Clear a spacious area for assembly. Lay out all components and hardware, verifying against the parts list in the included manual.
2. **Assemble the Frame:** Begin by connecting the main metal frame components according to the numbered diagrams in your manual. Do not fully tighten screws until all parts are aligned.
3. **Attach Desktop Panels:** Secure the L-shaped desktop panels to the assembled frame. Ensure proper orientation for your desired left or right-hand configuration.
4. **Install Monitor Stand:** Attach the monitor stand shelf to the designated supports on the desktop.
5. **Assemble Storage Unit:** Construct the storage shelves and drawer unit. Pay close attention to the orientation for the reversible design.
6. **Insert Drawers:** Install the drawer glides and assemble the drawers, then slide them into the unit.
7. **Final Tightening:** Once all components are in place and aligned, systematically tighten all screws and bolts.
8. **Adjust Foot Pads:** Adjust the anti-slip foot pads at the base of the desk to ensure stability and protect your floor.

The Tribesigns L Shaped Desk is designed for versatile use in various settings, including home offices, dormitories, bedrooms, and living rooms.

- **L-Shaped Configuration:** Utilize the L-shape to fit into room corners, maximizing available workspace.
- **Monitor Stand:** The elevated monitor stand provides ergonomic viewing for single or dual monitors, freeing up valuable desktop space below.
- **Storage Shelves:** The open bookshelves are suitable for storing books, documents, office supplies, and decorative items.
- **Drawers:** Two small drawers offer concealed storage for smaller items, helping to keep your workspace tidy.
- **Reversible Design:** The storage unit can be assembled on either the left or right side of the desk to best suit your room layout and personal preference.

MAINTENANCE

Proper care and maintenance will extend the life of your Tribesigns desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the laminated finish.
- **Spills:** Clean up spills immediately to prevent moisture damage to the engineered wood.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters for drinks. Protect the desk from excessive moisture and direct sunlight.
- **Tighten Fasteners:** Periodically check and tighten all screws and bolts to ensure the desk remains stable and secure.
- **Weight Distribution:** Distribute weight evenly across the desktop and shelves to prevent warping or structural stress.

TROUBLESHOOTING

If you encounter any issues with your desk, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Desk is wobbly or unstable.	Loose fasteners; uneven floor; incorrect assembly.	Ensure all screws and bolts are fully tightened. Adjust the leveling foot pads. Review assembly steps to confirm correct installation.

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Improperly installed drawer glides; obstruction in the track.	Check that drawer glides are installed correctly and are free of debris. Ensure drawers are not overloaded.
Parts do not align during assembly.	Incorrect orientation of parts; screws tightened too early.	Loosen all screws slightly, realign parts, then tighten. Refer to the manual's diagrams carefully for part orientation.
Damage upon arrival.	Shipping damage.	Contact customer support immediately with details and photos of the damage.
