Dodge Charger

2022 Dodge Charger Owner's Manual

Your comprehensive guide to operating and maintaining your vehicle.

Introduction

This manual contains detailed information about the operation, maintenance, and safety features of your 2022 Dodge Charger. To ensure safe and efficient use of your vehicle, please read this manual thoroughly and keep it in your vehicle for future reference. All information, illustrations, and specifications contained in this manual are based on the latest product information available at the time of publication.

1. Setup and Initial Familiarization

Before driving, familiarize yourself with the vehicle's controls and adjustments.

1.1 Seat Adjustments

- **Manual Seats:** Locate the lever under the front of the seat to slide it forward or backward. Use the recline lever on the side to adjust the seatback angle.
- **Power Seats:** Use the controls located on the side of the seat to adjust forward/backward position, height, and recline angle.
- **Head Restraints:** Adjust the head restraint so the top of it is even with the top of your ears.

1.2 Mirror Adjustments

- **Rearview Mirror:** Manually adjust for a clear view of the rear window.
- **Side Mirrors:** Use the control knob on the driver's door panel to select the left or right mirror, then adjust its position.

1.3 Steering Wheel Adjustment

Pull the lever located under the steering column to unlock. Adjust the steering wheel for tilt and telescope, then push the lever back up to lock it in place.

2. Operating Your Vehicle

2.1 Starting and Stopping the Engine

- **To Start:** Ensure the vehicle is in PARK (P) or NEUTRAL (N). Press the brake pedal and then press the ENGINE START/STOP button.
- **To Stop:** Shift the transmission to PARK (P). Press the ENGINE START/STOP button.

2.2 Transmission Operation

Your Charger is equipped with an automatic transmission. Use the gear selector to choose between PARK (P), REVERSE (R), NEUTRAL (N), DRIVE (D), and MANUAL (M) modes. Always apply the brake pedal when shifting from P to R, N, or D.

2.3 Climate Control System

Use the controls on the center console or the Uconnect touchscreen to adjust temperature, fan speed, air distribution, and activate features like A/C and defrost.

2.4 Infotainment System (Uconnect)

Your Uconnect system provides access to radio, media, navigation, phone connectivity, and vehicle settings. Refer to the separate Uconnect User Guide for detailed instructions on specific features like Apple CarPlay® and Android Auto™.

3. Maintenance and Care

Regular maintenance is crucial for the longevity and performance of your vehicle. Always refer to the Maintenance Schedule section in this manual for specific intervals.

3.1 Engine Oil and Filter

Check engine oil level regularly and change oil and filter according to the recommended schedule. Use only Mopar® approved oil and filters.

3.2 Tire Care

- **Tire Pressure:** Check tire pressure monthly, including the spare. Refer to the tire placard on the driver's side door jamb for correct pressures.
- **Tire Rotation:** Rotate tires at recommended intervals to ensure even wear and extend tire life.
- **Tire Inspection:** Inspect tires for cuts, bulges, and excessive wear.

3.3 Fluid Checks

Regularly check levels of coolant, brake fluid, power steering fluid (if applicable), and windshield washer fluid. Top up as needed with recommended fluids.

3.4 Battery Maintenance

Keep battery terminals clean and tight. If the vehicle is stored for an extended period, consider using a battery tender.

4. Troubleshooting Common Issues

This section addresses common issues you might encounter. For more complex problems, consult an authorized dealership.

Problem	Possible Cause / Solution
Engine Does Not Start	• Battery discharged: Check battery terminals, jump-start if necessary. • Fuel level low: Add fuel. • Immobilizer active: Ensure correct key fob is present.
Warning Light On	• Check Engine Light: Could indicate various issues; consult a technician. • Oil Pressure Light: Stop immediately and check oil level. • Brake Warning Light: Check brake fluid level; have brakes inspected.
Flat Tire	• Refer to the "Tire Service" section for instructions on using the tire repair kit or changing a spare tire.

5. Specifications

Key specifications for the 2022 Dodge Charger Owner's Manual document.

ASIN	B0BGM85QLP
Publisher	Auto Manuals
Publication Date	January 1, 2022
Language	English
