Dowinx LS-667902

Dowinx Gaming Floor Chair LS-667902 Instruction Manual

Model: LS-667902

1. INTRODUCTION

Thank you for purchasing the Dowinx Gaming Floor Chair LS-667902. This manual provides essential information for the safe assembly, proper operation, and maintenance of your new chair. Please read this manual thoroughly before use and retain it for future reference.

The Dowinx Gaming Floor Chair LS-667902 is designed for comfort and versatility, featuring a stylish aesthetic suitable for various room types. It incorporates ergonomic principles to support prolonged sitting, making it ideal for gaming, working, reading, or relaxing.

2. SAFETY INFORMATION

WARNING:

- This product contains small parts that could be a choking hazard for children. Keep all components out of reach of children.
- Ensure all screws and bolts are securely tightened before using the chair. Periodically check and re-tighten as necessary.
- Do not stand on the chair or use it as a step stool.
- Avoid placing heavy objects on the chair that exceed its weight capacity.
- Use the chair on a flat, stable surface to prevent tipping.
- Keep hands and fingers clear of moving parts during adjustment.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Chair Base
- Backrest
- Linked Armrests (pre-attached to seat/backrest)
- Headrest Cushion
- Lumbar Support Cushion (with vibration function)
- Assembly Hardware (screws, washers, Allen wrench)
- Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Dowinx Gaming Floor Chair. It is recommended to have two people for assembly.

Step 1: Prepare the Base and Backrest

Place the chair base on a clean, flat surface. Align the backrest with the base's connection points.

Step 2: Secure the Backrest to the Base

Using the provided screws and Allen wrench, securely attach the backrest to the chair base. Ensure all screws are tightened evenly to prevent wobbling.

Note: While no specific assembly video for this model is available, you may find general gaming chair assembly videos helpful for visual guidance. Please be aware that specific parts and steps may vary.

5. OPERATING INSTRUCTIONS

5.1. 360-Degree Rotation

The chair features a 360-degree rotating base, allowing for easy movement and access to your surroundings without needing to reposition the entire chair. Simply swivel the chair to your desired direction.

5.2. 165-Degree Reclining Function

Adjust the backrest angle up to 165 degrees for optimal comfort during various activities, from upright work to a near-flat resting position. Locate the recline lever on the side of the chair (typically on the right side) and pull it up to adjust the angle. Release the lever to lock the backrest in place.

5.3. Linked Armrests

The unique linked armrests move in conjunction with the backrest's recline, providing continuous support for your arms and elbows at any angle. No separate adjustment is needed for the armrests when reclining.

5.4. Lumbar Support with Vibration Function

The adjustable lumbar support cushion helps reduce lower back strain. It also features a vibration relaxation function. Connect the USB cable from the lumbar cushion to a power source (e.g., USB port on a computer or power bank) to activate the vibration.

6. MAINTENANCE

To ensure the longevity and appearance of your Dowinx Gaming Floor Chair, follow these maintenance guidelines:

- **Cleaning:** Wipe the PU leather surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the material.
- **Spills:** Immediately blot any spills with a clean, dry cloth. Do not rub, as this can spread the stain.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause the material to fade or crack.
- **Inspections:** Periodically check all screws and connections to ensure they are tight. Re-tighten as needed.

7. TROUBLESHOOTING

If you encounter any issues with your chair, please refer to the following common troubleshooting tips:

- **Chair is wobbly:** Check all assembly screws and ensure they are fully tightened.
- **Recline function is stiff or not working:** Ensure the recline lever is fully engaged or disengaged. Check for any obstructions in the reclining mechanism.
- **Lumbar vibration not working:** Verify that the USB cable is securely connected to a working power source.
- **Difficulty swiveling:** Ensure the chair is on a smooth, flat surface. Check for any debris under the base.

If the problem persists, please contact Dowinx customer support for assistance.
