Allewie Full Size Bed Frame Instruction Manual

Model: AK-7227-1-DGF

1. SAFETY INFORMATION

WARNING: To prevent entrapment, do not use this product with crib bumpers, blankets, pillows, or other soft bedding. Always assemble and use this product according to the instructions. This product is intended for adult use only and should not be used by children without appropriate bedding materials. Do not exceed the maximum weight limit of 800 pounds.

- Ensure all components are securely fastened before use.
- Keep small parts away from children during assembly.
- Do not stand or jump on the bed frame.
- Place the bed frame on a level surface.

2. PRODUCT OVERVIEW

The Allewie Full Size Bed Frame features a wingback headboard with button tufted design and four integrated storage drawers. This platform bed frame is designed to support your mattress without the need for a box spring.

Thoughtful Design

16" wingback leave enough space for nightstands,
no effect pulling out drawers.

3. PARTS LIST

Before assembly, ensure all parts are present and undamaged. Refer to the included hardware pack for specific component identification.

- Wingback Headboard
- Side Rails (Left and Right)
- Footboard
- Center Support Beam
- Wooden Slats
- Under-bed Storage Drawers (4 units)
- Hardware Pack (bolts, washers, Allen wrench, etc.)

4. SETUP AND ASSEMBLY

The Allewie bed frame is designed for straightforward assembly, typically taking about one hour. All necessary tools are included. No box spring is required.

General Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.

2. Attach the side rails to the headboard and footboard using the provided hardware.
3. Install the center support beam.
4. Place the wooden slats across the frame and secure them according to the instructions.
5. Assemble the four storage drawers and insert them under the bed frame.
6. Ensure all bolts are tightened, but do not overtighten.

Video 4.1: An official Allewie video demonstrating the assembly process and features of the bed frame with storage drawers.

5. OPERATING INSTRUCTIONS (STORAGE DRAWERS)

The bed frame includes four under-bed storage drawers designed for convenient access and organization.

- To open a drawer, gently pull the front panel outwards. The smooth wheels allow for easy movement on various floor types.
- To close a drawer, push it inwards until the fixed latching mechanism engages, securing the drawer in place and maintaining a flush appearance.
- The wingback design provides ample space (16 inches) between the headboard and the drawers, ensuring they can be pulled out without obstruction from nightstands.

6. MAINTENANCE

Proper care will extend the life and appearance of your bed frame.

- **Cleaning:** Wipe the upholstered surfaces with a dry cloth. For spills, blot immediately with a clean, damp cloth and mild soap, then dry thoroughly. Avoid harsh chemicals.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary to maintain stability and prevent squeaks.
- **Drawer Care:** Keep the drawer wheels free of debris to ensure smooth operation.

7. TROUBLESHOOTING

If you encounter any issues with your bed frame, refer to these common solutions:

- **Squeaking Noises:** Ensure all bolts are securely tightened. Loose connections are a common cause of squeaks. Check that slats are properly seated in their holders.
- **Drawers Not Sliding Smoothly:** Inspect the wheels for any obstructions or debris. Ensure the drawers are aligned correctly within their tracks.
- **Instability:** Verify that the bed frame is placed on a flat, level surface. Recheck all assembly connections.

8. SPECIFICATIONS

Brand	Allewie
Model Number	AK-7227-1-DGF
Size	Full
Color	Dark Grey
Material Type	Fabric, Wood, Metal (Linen Upholstery)
Item Dimensions (L x W x H)	79.7" x 57.9" x 40.55"
