Partzer Front Lower Bumper Grille Assembly User Manual

Model: **1PZCH1211028** | Compatible with 2018-2020 Dodge Durango

Replacement for OEM Part Number: **68320617AA**

1. PRODUCT OVERVIEW

The Partzer Front Lower Bumper Grille Assembly is a direct replacement component designed for 2018-2020 Dodge Durango models. This grille is engineered to provide a precise fit and enhance the vehicle's front-end appearance while offering durable protection.

Image 1.1: The Partzer Front Lower Bumper Grille Assembly, showcasing its design and how it appears when installed on a Dodge Durango.

Key Features:

- **Perfect Fit:** Specifically designed for 2018-2020 Dodge Durango, ensuring seamless integration.
- **Premium Material:** Constructed from high-impact plastic, offering durability and resistance to corrosion, fading, and impacts.
- **Enhanced Style:** Features a modern honeycomb mesh design that upgrades the vehicle's aesthetic.
- **Easy Installation:** Designed for direct replacement without the need for drilling or modifications.
- **All-Weather Durability:** Built to withstand various environmental conditions including rain, snow, and heat.

Premium Grilles

Our grilles are carefully crafted to resist cracking fading and rusting. Advanced molding technology ensures a snug fit to your vehicle

2. INSTALLATION GUIDE

This section provides general instructions for replacing your vehicle's front lower bumper grille. While installation is designed to be straightforward, professional installation is recommended if you are unfamiliar with automotive repairs.

Tools Required (Typical):

- Plastic trim removal tool
- Socket wrench set
- Screwdriver set
- Protective gloves and eyewear

Installation Steps:

1. **Prepare the Vehicle:** Park the vehicle on a level surface and engage the parking brake. Allow the engine to cool if it has been recently operated.
2. **Access the Grille:** Depending on your vehicle's specific configuration, you may need to remove fasteners, clips, or screws securing the bumper or surrounding trim to access the lower grille. Use a plastic trim removal tool to prevent damage to painted surfaces.
3. **Remove Old Grille:** Carefully detach the existing lower grille. Note the location and type of all clips and mounting points.
4. **Install New Grille:** Align the Partzer Front Lower Bumper Grille Assembly with the mounting points. Press firmly to engage all clips and secure any fasteners removed in the previous step. Ensure the grille is seated flush and securely.
5. **Reassemble Trim:** Reinstall any bumper or trim components that were removed to access the grille. Double-check all connections and fasteners.
6. **Final Check:** Verify that the new grille is securely installed and that there are no loose parts.

3. CARE AND MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your Partzer Front Lower Bumper Grille Assembly.

Cleaning:

- Regularly clean the grille with mild automotive soap and water.
- Use a soft cloth or sponge to avoid scratching the surface.
- Rinse thoroughly with clean water and dry with a microfiber towel to prevent water spots.
- Avoid using abrasive cleaners, harsh chemicals, or stiff brushes, as these can damage the finish.

Durability and Resistance:

The grille is manufactured from high-impact plastic, providing inherent resistance to various environmental factors:

- **UV Resistance:** Designed to resist fading and degradation from prolonged sun exposure.
- **Chemical Resistance:** Withstands exposure to common automotive fluids and cleaning agents.
- **Impact Resistance:** Engineered to absorb minor impacts, protecting the vehicle's front end.

5. TROUBLESHOOTING

This section addresses common issues that may arise during or after installation.

Common Issues and Solutions:

- **Grille Does Not Fit Properly:**
 - Ensure the grille is correctly aligned with all mounting points.
 - Verify that the product is compatible with your specific vehicle year and model (2018-2020 Dodge Durango).
 - Check for any obstructions or debris in the mounting area.
- **Clips or Fasteners Not Engaging:**
 - Apply firm, even pressure to engage clips.
 - Inspect clips for damage or bending. If damaged, contact customer support.
- **Grille Appears Loose After Installation:**
 - Re-check all mounting points and fasteners to ensure they are fully secured.
 - Ensure all surrounding trim pieces are reinstalled correctly.

If you encounter persistent issues not covered here, please refer to the "Warranty and Support" section for assistance.

6. WARRANTY AND SUPPORT
