SETUP AND ASSEMBLY

Your Americana Agave arrives ready for simple assembly and placement. Follow these steps to set up your metal art piece:

1. **Unpack Components:** Carefully remove all components from the packaging. You should find the metal agave sculpture, a 9" x 9" base plate, and ground stakes.
2. **Attach Base Plate:** Securely attach the agave sculpture to the provided 9" x 9" base plate. Ensure all connections are firm.
3. **Outdoor Placement (Optional):** For outdoor installations, position the agave in your desired location. Use the included ground stakes to anchor the base plate firmly into the soil, preventing movement due to wind or other environmental factors.
4. **Indoor Placement (Optional):** For indoor use, the base plate provides sufficient stability. You may place the agave directly on a flat surface or within a decorative planter.

PLACEMENT AND DISPLAY

The Americana Agave is versatile and can be displayed in various settings. Consider the following for optimal presentation:

- **Indoor Use:** Place the agave on a sturdy surface, such as a console table, shelf, or as a centerpiece in a large pot.
- **Outdoor Use:** Integrate the agave into garden beds, rock gardens, or alongside other drought-tolerant plants. Its all-weather construction ensures it will withstand rain, snow, wind, and sun.
- **Aesthetic Integration:** The variegated patina finish is designed to complement natural environments. Position it where its unique texture and form can be appreciated.

CARE AND MAINTENANCE

The Desert Steel Americana Agave is designed for minimal maintenance, ensuring long-lasting beauty with little effort.

- **Cleaning:** To clean, simply wipe the surface with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which could affect the patina finish.
- **Patina Development:** The variegated patina finish is designed to evolve naturally over time, especially when exposed to outdoor elements. This natural aging process enhances the unique character of the metal art piece. The color may change slightly, but the structural integrity will remain.
- **All-Weather Durability:** This product is built to withstand various weather conditions, including wind, rain, snow, and sun, without requiring special coverings or treatments.
