MAINTENANCE AND CARE

To ensure the longevity and appearance of your dresser, follow these maintenance guidelines:

- **Cleaning the Frame and Top:** Wipe the steel frame and MDF wood top with a dry cloth. Avoid abrasive cleaners or harsh chemicals.
- **Cleaning the Drawers:** The fabric drawers are breathable and waterproof. For spills or dirt, wipe with a damp cloth and mild soap, then allow to air dry completely. Do not machine wash or tumble dry.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
