While these building block sets are designed for ease of use, here are some common issues and solutions:

- **Difficulty Assembling:** If a piece does not fit easily, check the instruction sheet to ensure the correct piece is being used and that it is oriented correctly. Avoid forcing pieces together, as this may cause damage.
- **Missing or Damaged Parts:** In the rare event of missing or damaged components, please contact JOYIN customer support for assistance. Provide the product's item number (15393) and a description of the issue.

8. CARE AND MAINTENANCE

To ensure the longevity of your JOYIN Animal Building Blocks, follow these care instructions:

- **Cleaning:** Wipe the building blocks with a soft, damp cloth. Do not submerge in water for extended periods. Avoid using harsh chemicals, abrasive cleaners, or dishwashers, as these can damage the plastic.
- **Storage:** Store the blocks in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to heat or sunlight can cause the plastic to warp or fade.
