Sembo Block Famous Car Blencbein 61 Instruction Manual

Model: 607318

INTRODUCTION

Thank you for choosing the Sembo Block Famous Car Blencbein 61 building set. This manual provides detailed instructions for assembling, operating, and maintaining your new building block car. This set is designed to enhance hand-eye coordination, creativity, and cognitive skills, offering hours of engaging playtime.

The kit includes approximately 324 pieces to construct the Blencbein 61 car model, along with 25 spare parts for convenience. All components are made from durable plastic.

SETUP AND ASSEMBLY

Follow these steps to assemble your Sembo Block Famous Car Blencbein 61:

1. **Unpack Components:** Carefully open the packaging and remove all building blocks and accessories. It is recommended to sort the pieces by color and shape to facilitate assembly.
2. **Review Instructions:** Refer to the detailed step-by-step assembly guide included in your product box. Each step will illustrate which blocks to use and where to place them.
3. **Start Building:** Begin assembly according to the provided guide. Pay close attention to the orientation of each block.
4. **Utilize Playing Mat:** The set includes a double-sided playing mat. Use this mat during assembly to keep pieces organized and prevent them from getting lost.
5. **Secure Connections:** Ensure all blocks are firmly connected to create a stable structure.
6. **Final Touches:** Once the main structure is complete, add any decorative elements or accessories as shown in the instructions.

OPERATING INSTRUCTIONS

Once assembled, the Sembo Block Famous Car Blencbein 61 is ready for imaginative play.

- **Creative Play:** Use the assembled car in various play scenarios. The car is designed for free-wheeling movement on smooth surfaces.
- **Minifigure Interaction:** If your set includes a minifigure, the cockpit of the car can be opened to place the figure inside, enhancing role-playing possibilities.
- **Educational Engagement:** Encourage children to explore the mechanics of the car, fostering an understanding of basic engineering principles through play.

MAINTENANCE AND CARE

Proper care will ensure the longevity of your Sembo Block set:

- **Cleaning:** To clean the blocks, gently wipe them with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic. Do not submerge the blocks in water.
- **Storage:** When not in use, store all blocks and assembled models in the sturdy plastic box provided. The box

features a safety lock and handle for secure and convenient storage, preventing pieces from getting lost.

- **Handling:** Avoid dropping the assembled model or individual blocks from significant heights, as this can cause breakage. Keep the set away from extreme temperatures and direct sunlight to prevent material degradation.

TROUBLESHOOTING

If you encounter any issues with your Sembo Block set, consider the following:

- **Missing Pieces:** Carefully check the packaging and the playing mat for any small pieces that might have been overlooked. If pieces are genuinely missing, please contact Sembo Block customer support for assistance.
- **Difficulty Assembling:** Review the assembly instructions carefully, paying close attention to the images and step-by-step diagrams. Sometimes, a block may be incorrectly oriented or placed in the wrong position. Disassemble the problematic section and re-attempt.
- **Loose Connections:** Ensure that each block is pressed firmly into place. Loose connections can lead to an unstable model.
