

## ASAKUKI 100-DF002

# ASAKUKI Essential Oil Diffuser User Manual

Model: 100-DF002 | Brand: ASAKUKI

## INTRODUCTION

Thank you for choosing the ASAKUKI Essential Oil Diffuser. This 5-in-1 aromatherapy device combines an essential oil diffuser, cool mist humidifier, air purifier, ionizer, and night light into one compact unit. Designed to create a relaxing and pleasant atmosphere, it features a 300ml water tank, 7 LED color-changing lights, and an auto-off safety switch. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your diffuser.

## SAFETY PRECAUTIONS

To ensure safe operation and prevent damage, please read and adhere to the following safety guidelines:

- Always place the diffuser on a stable, flat, and water-resistant surface.
- Do not place the diffuser near heat sources, direct sunlight, or on electronic devices.
- Use only clean tap water or distilled water. Do not use hot water.
- Do not exceed the maximum water level indicated inside the water tank.
- Only use 100% pure essential oils. Avoid corrosive or chemical-based substances.
- Keep the diffuser out of reach of children and pets.
- Unplug the diffuser from the power outlet before cleaning or refilling.
- Do not touch the ultrasonic vibrating plate directly with your hands or sharp objects.
- If the diffuser emits an unusual smell or sound, or if smoke appears, unplug it immediately.
- The diffuser features an auto-off safety switch that activates when the water level is low,

preventing damage to the unit.

## PACKAGE CONTENTS

Upon opening your ASAKUKI Essential Oil Diffuser package, you should find the following items:

- 1 x ASAKUKI Essential Oil Diffuser (300ml capacity)
- 1 x AC Adapter
- 1 x Measuring Cup
- 8 x 10ml Bottles of Essential Oils (Lavender, Eucalyptus, Lemongrass, Tea Tree, Sweet Orange, Peppermint, Rosemary, Ylang Ylang)
- 1 x User Manual

## PRODUCT OVERVIEW

Familiarize yourself with the main components and controls of your ASAKUKI Essential Oil Diffuser:

- **Mist Outlet:** Where the cool mist is diffused.
- **Top Cover:** Removable cover for accessing the water tank.
- **Water Tank:** Holds up to 300ml of water and essential oils.
- **Max Water Line:** Indicates the maximum fill level.
- **Ultrasonic Vibrating Plate:** Located at the bottom of the water tank, responsible for mist generation.
- **Air Outlet:** Ensures proper airflow.
- **Light Button:** Controls the LED light functions.
- **Mist Button:** Controls the mist output and timer settings.
- **Power Jack:** Connects the AC adapter.

## SETUP INSTRUCTIONS

Follow these steps for the initial setup of your diffuser:

1. **Unpack:** Carefully remove the diffuser and all accessories from the packaging.
2. **Place:** Position the diffuser on a flat, stable, and water-resistant surface away from direct sunlight or heat sources.
3. **Remove Cover:** Gently remove the top cover of the diffuser.
4. **Add Water:** Using the provided measuring cup, fill the water tank with clean tap water or distilled water up to the "MAX" line (300ml capacity). Do not overfill.
5. **Add Essential Oils:** Add 5-10 drops of your preferred essential oil directly into the water tank. Adjust the quantity based on your preference and room size.
6. **Replace Cover:** Securely place the top cover back onto the diffuser.
7. **Connect Power:** Plug the AC adapter into the power jack at the base of the diffuser, then plug the adapter into a standard wall outlet.

## OPERATING INSTRUCTIONS

Once set up, operate your diffuser using the two control buttons:

### Mist Control

- Press the "**Mist**" button once to turn on continuous mist.
- Press again to cycle through timer settings: 1 hour, 3 hours, 6 hours.
- Press and hold the "**Mist**" button for 2 seconds to turn off both mist and light.

### Light Control

- Press the "**Light**" button once to turn on the 7-color cycling mode.
- Press again to fix the light to a specific color. Continue pressing to cycle through the available colors.
- Press and hold the "**Light**" button for 2 seconds to turn off the light.

# 7 LED Mood Lights

# Quiet Operation

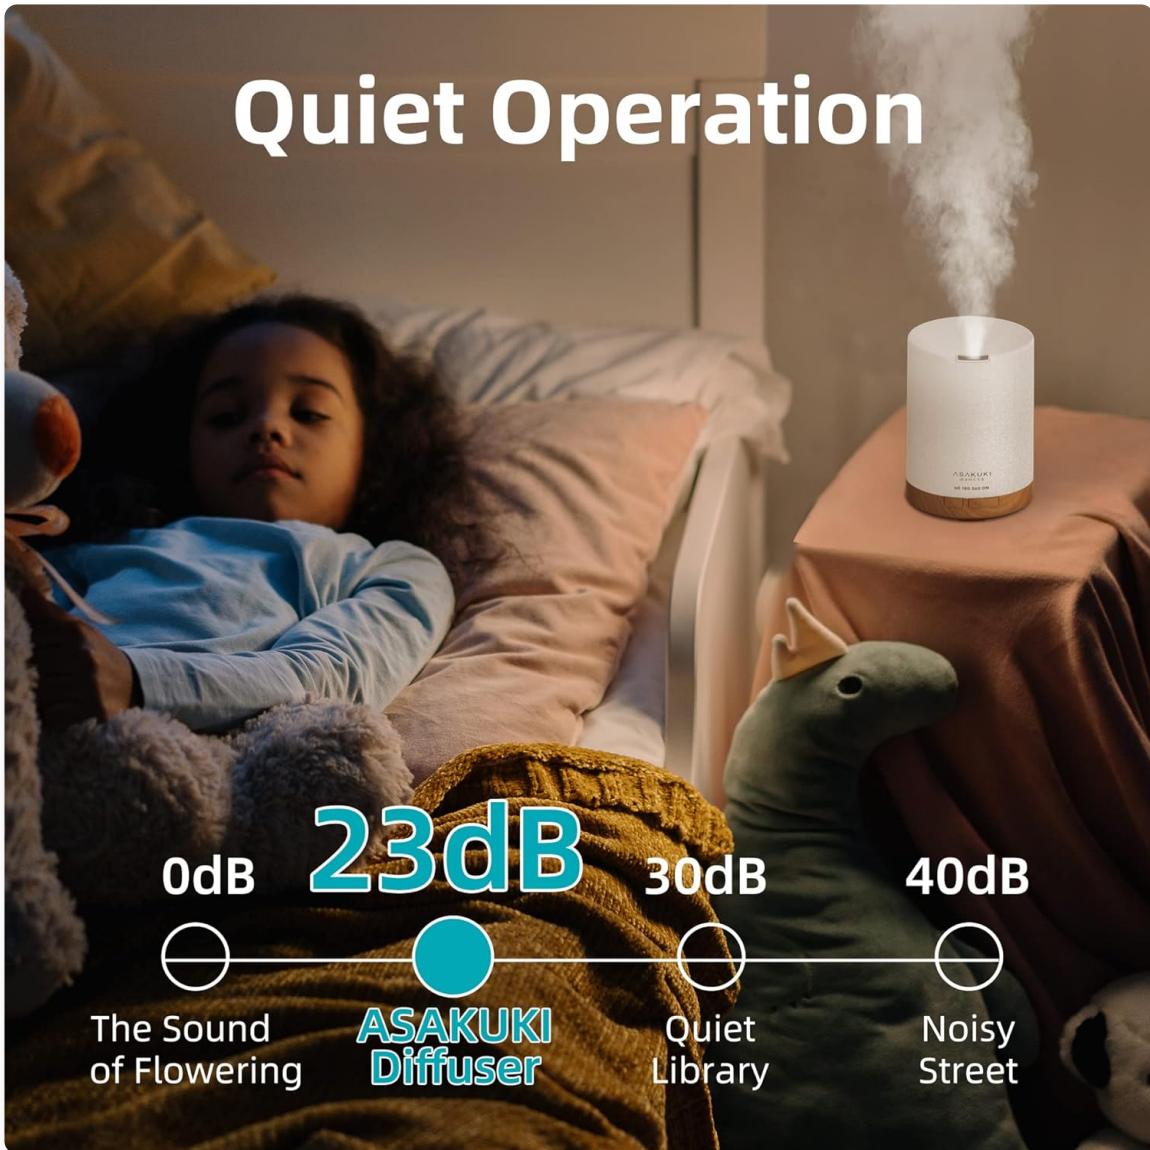

Image: The ASAKUKI diffuser operating quietly in a child's bedroom, with a graphic indicating its low noise level of 23dB, comparable to a quiet library.

## MAINTENANCE AND CARE

Regular cleaning is essential to prevent mineral buildup and ensure optimal performance and longevity of your diffuser. Clean the unit every 3 days, especially if using frequently or with strong essential oils.

- 1. Unplug:** Always unplug the diffuser from the power outlet before cleaning.
- 2. Empty Water:** Remove the top cover and carefully empty any remaining water from the water tank, ensuring water does not enter the air outlet.
- 3. Clean Tank:** Wipe the inside of the water tank with a soft cloth. For stubborn residue, use a cotton swab dipped in white vinegar to gently clean the ultrasonic vibrating plate.
- 4. Rinse:** Rinse the water tank with clean water, being careful not to get water into the air outlet.
- 5. Dry:** Allow all parts to air dry completely before reassembling or storing.
- 6. External Cleaning:** Wipe the exterior of the diffuser with a soft, damp cloth.

**Important:** Do not use harsh detergents, abrasive cleaners, or corrosive chemicals. Do not immerse

the base of the diffuser in water.

## TROUBLESHOOTING
