SETUP

Initial Pairing

1. Ensure earbuds are charged (refer to Charging section).
2. Open the charging case lid. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), go to Bluetooth settings.
4. Search for "X15" in the list of available devices and select it to connect.
5. Once connected, the earbuds will automatically reconnect to your device when you open the charging case lid after the first pairing.

FAST AUTO PAIRING

Reconnect automatically once you opened the charging case lid after first pairing.

Smart Touch Controls

The X15 earbuds feature intuitive touch controls on the side of each earbud for easy management of music and calls:

- **Play/Pause:** Double-tap (x2) on either earbud.
- **Switch Song (Next/Previous):** Hold the touch sensor on the right earbud for next song, hold on the left earbud for previous song.
- **Voice Assistant:** Triple-tap (x3) on either earbud.
- **Switch Volume:** Single-tap (x1) on the right earbud to increase volume, single-tap on the left earbud to decrease volume.
- **Answer/End Call:** Double-tap (x2) on either earbud.
- **Reject Call:** Hold the touch sensor on either earbud.

Charging the Earbuds and Case

The charging case features an LED digital display that shows the battery percentage of the case and the charging status of each earbud. The earbuds offer up to 7 hours of play time on a single charge, with the charging case providing multiple additional charges for a total of 35 hours of play time.

1. To charge the earbuds, place them back into their respective slots in the charging case. They are magnetized and will snap into place. The LED display will show their charging status.
2. To charge the case, connect the provided USB-C charging cable to the USB-C port on the bottom of the case and plug the other end into a compatible USB power source. The LED display will show the case's battery percentage.
3. Charging time for both earbuds and the carrying case is approximately 1.5 hours.

MAINTENANCE

- Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- Water Resistance (IPX7):** The earbuds are IPX7 waterproof, meaning they can withstand immersion in water up to 1 meter for 30 minutes. However, the charging case is not waterproof. Ensure earbuds are completely dry before placing them back in the charging case to prevent damage.
- Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- Battery Care:** To prolong battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even if not used for a long period.

TROUBLESHOOTING

Problem	Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget "X15" from your device's Bluetooth list and re-pair.
Only one earbud working	Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid and try again. Ensure both earbuds are charged.
No sound or low volume	Check device volume and earbud volume. Ensure earbuds are properly seated in your ears. Try different eartip sizes.
Charging issues	Ensure the USB-C cable is securely connected. Try a different charging cable or power adapter. Clean the charging contacts on the earbuds and inside the case.
