RBX ACRM160

RBX Active Men's Athletic Fit Performance Long Sleeve Tee Instruction Manual

Product Overview

The RBX Active Men's Athletic Fit Performance Long Sleeve Tee is engineered for comfort and performance. It features a jacquard textured fabric with X-Dri technology, designed to wick away sweat and dry quickly, keeping you comfortable during physical activity. The body-skimming athletic fit and stretch jersey fabric allow for optimal movement, making it suitable for a variety of uses.

Initial Preparation

Before the first use, it is recommended to wash the garment according to the care instructions provided in the 'Care Instructions' section. This helps to remove any manufacturing residues and prepares the fabric for optimal performance.

Wearing and Use

This athletic tee is designed for versatility, making it suitable for various activities and settings. Its athletic fit provides a comfortable, non-restrictive feel.

- **Running and Workouts:** The X-Dri technology and stretch fabric support intense physical activity by managing moisture and allowing full range of motion.
- **Lounging:** The comfortable material makes it ideal for relaxed wear at home.
- **Everyday Casual Wear:** Its classic crew neckline and versatile design allow it to be worn as part of a casual outfit.

Care Instructions

Proper care is essential to maintain the quality, performance, and longevity of your RBX Active tee. Always refer to the care label inside the garment for specific instructions.

- **Washing:** Machine wash cold with like colors. Use a gentle cycle.
- **Drying:** Tumble dry low or lay flat to dry. Avoid high heat, as it can damage the fabric and affect its moisture-wicking properties.
- **Bleaching:** Do not bleach.
- **Ironing:** Do not iron.
- **Dry Cleaning:** Do not dry clean.

Common Concerns

Addressing potential issues to help maintain the garment's quality and performance over time:

- **Shrinking:** To prevent shrinking, always adhere to the recommended washing and drying temperatures. High heat can cause synthetic fabrics to shrink or lose their shape.
- **Pilling:** Minimize fabric pilling by washing the garment inside out and avoiding contact with abrasive surfaces during wear and washing.
- **Odor Retention:** Ensure the garment is thoroughly dried after each wash and workout. Avoid leaving damp clothing in confined spaces, which can lead to odor buildup.

Product Specifications

Feature	Detail
Brand	RBX
Item Model Number	ACRM160
