ASSEMBLY INSTRUCTIONS

Follow these steps to create your personalized unicorn headbands:

Step-by-Step Guide

1. **Prepare the Headband:** Choose a headband from the kit. If using a plain headband, select a colorful fabric strip to wrap around it.
2. **Apply Glue to Strip:** Apply a thin, even layer of the provided craft glue along one side of the fabric strip.
3. **Attach Fabric Strip:** Carefully press the glued side of the fabric strip onto the headband, starting from one end and working your way around. Ensure it is smooth and secure.
4. **Select Charms:** Choose your favorite unicorn-themed charms and glitter embellishments. Plan their placement on the headband before applying glue.

5. **Attach Charms:** Apply a small amount of craft glue to the back of each charm and firmly press it onto the decorated headband. Hold for a few seconds to ensure adhesion.
6. **Allow to Dry:** Let your newly crafted headband dry completely for several hours, or as indicated on the glue packaging, before wearing. This ensures all components are securely attached.

MAINTENANCE

To keep your unicorn headbands looking their best:

- **Cleaning:** Gently wipe the headbands with a damp cloth if they become dirty. Avoid harsh chemicals or excessive scrubbing, which may damage the decorations.
- **Storage:** Store headbands in a cool, dry place away from direct sunlight to prevent fading or damage to the glue and materials.

TROUBLESHOOTING

If you encounter any issues during the crafting process:

- **Charms Not Sticking:** Ensure you apply a sufficient amount of glue to the back of the charm and press firmly for a few seconds. Allow adequate drying time before handling.
