5. MAINTENANCE AND CARE

Proper care will ensure the longevity and continued softness of your Bedsure Fluffy Faux Fur Blanket.

- **Washing:** Machine wash in cold water on a gentle cycle.
- **Drying:** Tumble dry low.
- **Detergent:** Do not use any detergent with chlorine or bleach.
- **Avoid:** Do not dry clean or iron the blanket, as this can damage the faux fur fibers.

6. TROUBLESHOOTING

While the Bedsure Fluffy Faux Fur Blanket is designed for durability and comfort, here are some common concerns and their solutions:

- **Shedding:** Minor shedding may occur, especially during initial uses or washes. This is normal for faux fur

products. Regular gentle washing and shaking can help minimize this.

- **Loss of Softness:** If the blanket feels less soft after washing, ensure you are using a gentle cycle, cold water, and avoiding harsh detergents or fabric softeners that can build up on fibers. Tumble drying on low heat can also help maintain fluffiness.
- **Matted Fur:** If the faux fur appears matted, gently brush it with a soft-bristled brush or your fingers after drying to restore its fluffy appearance.
