

## Walker Edison REED5DCOBL

# Walker Edison Reema Fluted 4-Door Kitchen Sideboard Buffet Console User Manual

Model: REED5DCOBL | Brand: Walker Edison

## INTRODUCTION

Thank you for choosing the Walker Edison Reema Fluted 4-Door Kitchen Sideboard Buffet Console. This versatile piece is designed to enhance your living space with both style and functionality. Its minimal build and versatile storage make it suitable for various uses, from a kitchen sideboard to a media stand. This manual provides essential information for safe assembly, proper use, and effective maintenance of your new furniture.

## SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Always place the sideboard on a flat, stable, and level surface.
- Do not exceed the maximum weight limit of **150 pounds** for the entire unit. Distribute weight evenly across shelves.
- For added stability and safety, especially in homes with children or pets, consider anchoring the unit to a wall using appropriate hardware (not always included, but recommended).
- Keep all small parts and packaging materials away from children during assembly to prevent choking hazards.
- Exercise caution when moving the assembled unit to prevent tipping or damage.

## PACKAGE CONTENTS

Before beginning assembly, ensure all parts are present and undamaged. Refer to the included Assembly Guide for a detailed list of components and hardware.

- 4-Door Sideboard Components
- Assembly Guide
- Hardware Pack (screws, dowels, hinges, handles, etc.)

If any parts are missing or damaged, please contact Walker Edison customer support immediately.

## SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the step-by-step instructions provided in the separate **Assembly Guide** included in your package. It is recommended to assemble the unit in the room where it will be used.

**Key Assembly Tips:**

- Lay out all components on a soft, clean surface to prevent scratches.
- Identify all hardware pieces before starting.
- **Door Alignment:** The doors may require fine-tuning after initial assembly to ensure they are perfectly even and close smoothly. The assembly guide provides instructions on how to adjust the screws on the door hinges. These adjustments typically allow for vertical, horizontal, and depth alignment. Patience during this step will result in a polished appearance.

**OPERATING INSTRUCTIONS**

Your Walker Edison Reema Sideboard is designed for versatile use and storage.

**Storage and Organization:**

- The unit features four doors that open to reveal spacious compartments.
- Adjustable shelves within the compartments allow you to customize the storage space to fit various items, such as dishware, books, linens, or board games.
- The fluted doors provide a sleek and discreet way to keep your belongings organized and out of sight.

### Media Console Use:

- The wide top surface can accommodate televisions up to 75 inches, making it an ideal media console.
- Utilize the internal compartments to store media devices, cables, and accessories, maintaining a tidy entertainment area.

## MAINTENANCE

---

Proper care will help maintain the appearance and longevity of your sideboard.

- **Cleaning:** Wipe surfaces with a dry, soft cloth to remove dust and fingerprints.
- **Avoid Harsh Cleaners:** Do not use abrasive cleaners, strong chemicals, or polishes that contain silicone, as these can damage the laminate finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent moisture damage or staining.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration over time.

## TROUBLESHOOTING

---

Here are solutions to common issues you might encounter:

- **Uneven or Misaligned Doors:** This is a common issue that can be resolved by adjusting the hinges. Each hinge typically has three adjustment screws: one for vertical alignment, one for horizontal alignment, and one for depth. Refer to your Assembly Guide for specific instructions on hinge adjustment. Small, incremental turns of these screws can significantly improve door alignment.
- **Wobbly Unit:** Ensure the unit is placed on a level surface. Check that all assembly screws are tightened securely. The middle leg provides extra stability; ensure it is properly installed and making contact with the floor.
- **Missing or Damaged Parts:** If you discover any missing or damaged components upon unboxing, do not proceed with assembly. Contact Walker Edison customer support immediately for replacement parts.

## SPECIFICATIONS

Brand	Walker Edison
Model Name	Reema
Product Dimensions	17.75"D x 69"W x 28.75"H
Item Weight	115.8 Pounds
Weight Limit	150 Pounds
Material	Engineered Wood
Finish Type	Laminate
