Greenvelly 9-Door Metal Storage Locker User Manual

Model: B0BJ6YDRNP

1. INTRODUCTION

Thank you for choosing the Greenvelly 9-Door Metal Storage Locker. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new storage unit. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe use and prevent injury or damage, please observe the following safety guidelines:

- Always secure the cabinet to the wall using the reserved holes on the back to prevent tipping. Wall mounting hardware may be required and is not always included.
- Keep the keys to the locks in a safe place to prevent lockouts.
- Do not overload individual compartments or the entire cabinet, as this may cause instability. Each shelf has a maximum weight capacity of 50 pounds.
- Ensure the locker is placed on a flat, stable surface.
- Keep small parts and assembly tools away from children during assembly.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Metal panels (top, bottom, sides, back, shelves)

- 9 individual locker doors with integrated locks
- Keys for each lock (two per lock)
- Assembly hardware (screws, nuts, bolts, gaskets)
- Instruction manual

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires two people and takes approximately 30 minutes. Follow the step-by-step instructions provided in the included manual. For visual guidance, please refer to the assembly video below.

Key Assembly Tips:

- Lay out all parts and identify them using the provided diagrams before starting.
- Ensure all screws are loosely placed in their respective positions before tightening them completely. This allows for minor adjustments and easier alignment.
- Utilize the anti-collision gaskets during door installation to ensure quiet closing.
- For optimal stability, consider securing the locker to a wall using the pre-drilled holes on the back panel.

Large Storage Space

Overall cabinet size: 35.5" * 15.9" * 39.5" Individual grid size: 11.8" * 11.8" * 11.8"

Each shelf can hold up to **50lbs**

5. OPERATING INSTRUCTIONS

The Greenvelly 9-Door Locker is designed for secure and organized storage.

Using the Locks and Keys:

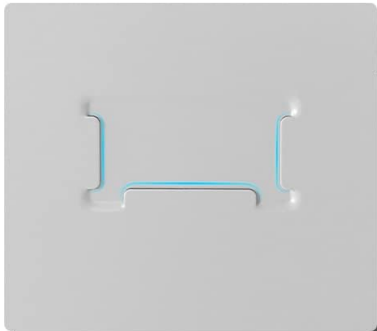

- Each of the 9 doors has an individual lock and comes with two unique keys.
- Insert the key into the lock and turn to secure or unlock the compartment.
- Keep one key as a spare in a safe location.

Card Slots and Ventilation:

- Each door features a card slot for easy labeling and differentiation of compartments. Insert a name card or label into the slot.
- Integrated louvers on each door facilitate air circulation, preventing odor buildup within the compartments.

6. MAINTENANCE

To maintain the appearance and functionality of your locker:

- Wipe the surfaces with a damp cloth to clean. Avoid abrasive cleaners.
- Regularly check all screws and connections to ensure they remain tight.
- The cold-rolled steel with updated coating is designed to be moisture-proof and rust-proof, but avoid prolonged exposure to excessive moisture.

Premium electrostatic powder coating

High quality coating ,

Safe and odorless , excellent wear resistance and rust prevention performance , extending the service life of the cabinet .

7. TROUBLESHOOTING

If you encounter any issues during assembly or use, refer to the following common solutions:

- **Difficulty aligning screw holes:** Ensure all screws are loosely fitted before tightening any. This allows for minor adjustments to align panels correctly.
- **Locker feels unstable:** Verify that all connections are securely tightened. Ensure the unit is on a level surface. For added stability, use the anti-tipping feature to secure it to a wall.
- **Doors not closing smoothly:** Check for any obstructions or misaligned hinges. The included gaskets should help ensure quiet operation.
- **Lost keys:** Each lock comes with two keys. If both are lost, contact customer support for assistance.

8. SPECIFICATIONS

Brand: Greenvelly

Model: B0BJ6YDRNP

Color: Grey

Material: Cold-rolled Steel

Product Dimensions (D x W x H): 16" x 35.4" x 39.5"

Number of Doors: 9

Number of Compartments: 9

Maximum Weight Capacity per Shelf: 50 Pounds

Features: Lockable, Ventilation Louvers, Card Slots, Anti-collision Gaskets, Anti-tipping Function

Assembly Required: Yes (Approx. 30 minutes for two people)

Mounting Type: Floor Mount, Wall Mount

Product Care: Wipe with Damp Cloth
