EDUCIRO Winter Christmas Cottage Building Toy B968 Instruction Manual

Model: B968 | 775 Pieces

1. INTRODUCTION

Welcome to the EDUCIRO Winter Christmas Cottage Building Toy instruction manual. This guide provides detailed steps for assembling your 775-piece building set, ensuring a rewarding and enjoyable construction experience. Please read all instructions carefully before beginning assembly.

1.1 Safety Information

- **Choking Hazard:** This set contains small parts and is not suitable for children under 3 years of age.
- **Recommended Age:** Suitable for ages 8 and up. Adult supervision is recommended for younger builders.
- Keep all packaging materials away from children.

2. PACKAGE CONTENTS

Before starting assembly, please verify that all components are present. The package should contain:

- 775 assorted building blocks.
- One instruction booklet.
- One brick separator tool (if included).

NUMBER OF BUILDING BLOCK PARTS

3. SETUP AND ASSEMBLY

Follow these steps to assemble your EDUCIRO Winter Christmas Cottage. It is recommended to sort pieces by color and type before beginning.

3.1 Preparation

1. **Unpack:** Carefully remove all contents from the box.
2. **Organize:** Sort the building blocks into groups. This will significantly speed up the assembly process.
3. **Review Instructions:** Familiarize yourself with the instruction booklet provided. Each step will show which pieces are needed and where they connect.

3.2 Assembly Steps

Refer to the included instruction booklet for detailed, step-by-step visual guides. The general assembly sequence is as follows:

1. **Base Construction:** Begin by assembling the base plate and the initial layers of the cottage foundation.
2. **Wall Structure:** Build the walls of the cottage, incorporating windows and door frames as indicated.
3. **Interior Details:** Add any interior elements or furniture as specified in the instructions.
4. **Roof Assembly:** Construct and attach the roof sections, ensuring they are securely fastened.
5. **Exterior Decorations:** Assemble and attach exterior details such as the chimney, Christmas tree, snowman, and snow-covered yard elements.

Tip: Ensure each brick is firmly pressed into place to create a stable structure. If a brick is difficult to connect, use the brick separator tool (if provided) to adjust or remove pieces.

4. DISPLAYING YOUR COTTAGE

Once assembled, your EDUCIRO Winter Christmas Cottage is ready to be displayed as a festive decoration.

- Place the cottage on a flat, stable surface.
- Avoid direct sunlight or extreme temperatures to prevent material degradation.
- The cottage is designed for indoor display.

5. MAINTENANCE AND CARE

Proper care will ensure the longevity of your building set.

- **Cleaning:** Dust the assembled model gently with a soft, dry cloth or a soft brush. For deeper cleaning, wipe with a slightly damp cloth and mild soap, then dry thoroughly. Do not immerse in water.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss and protect from dust. Store in a cool, dry place.
- **Handling:** Handle the assembled model with care to avoid accidental disassembly.

6. TROUBLESHOOTING

Here are solutions to common issues you might encounter:

- **Missing Pieces:** Double-check all packaging materials and the assembly area. If pieces are genuinely missing, contact EDUCIRO customer support (see Section 8).
- **Difficulty Connecting Bricks:** Ensure bricks are aligned correctly. Apply firm, even pressure. If a

brick is particularly stiff, try wiggling it gently while pressing.

- **Structure Instability:** Review previous steps in the instruction booklet to ensure all connections are secure and no steps were missed. Sometimes a loose connection can affect the stability of subsequent sections.
- **Instructions Unclear:** Refer to the visual diagrams in the instruction booklet. If a step remains unclear, try looking at the next few steps to understand the overall goal.
