

XTREME DIGITAL LIFESTYLE ACCESSORIES ECOM-1087-PP2

Instruction Manual: Monster Sound-Reactive Color Flow LED Equalizer Light Bar (2-Pack)

Model: ECOM-1087-PP2

INTRODUCTION

This manual provides instructions for the setup, operation, and maintenance of your XTREME DIGITAL LIFESTYLE ACCESSORIES Monster Sound-Reactive Color Flow LED Equalizer Light Bar. This product features sound-reactive lighting, customizable color modes, and flexible mounting options, designed to enhance your environment with dynamic visual effects.

Image: The Monster Sound-Reactive Color Flow LED Equalizer Light Bar shown both in its retail packaging and as a standalone unit, highlighting its design and features.

PACKAGE CONTENTS

- 2 x Monster Sound-Reactive Color Flow LED Equalizer Light Bars
- 2 x Vertical Stands
- 2 x USB Charging Cables
- Instruction Manual (this document)

SETUP

The Monster LED Equalizer Light Bar offers versatile placement options. Follow these steps for initial setup:

1. **Charging the Device:** Before first use, fully charge the light bar using the provided USB charging cable. Connect the cable to the light bar's charging port and a standard USB power source (e.g., computer,

USB wall adapter). The charging indicator will show the charging status. A full charge provides approximately 3-4 hours of continuous light.

2. Mounting Options:

- **Vertical Placement:** Attach the included base to the bottom of the light bar for vertical orientation. Ensure the bar is securely seated in the base.
- **Horizontal Placement:** The light bar can be placed horizontally on any flat surface without the base.

Image: A visual representation illustrating the two mounting methods: vertically with the included stand and horizontally on a flat surface.

OPERATING INSTRUCTIONS

The light bar can be controlled via built-in buttons or a dedicated mobile application.

1. Basic Operation (Built-in Buttons)

The light bar features control buttons, typically located on the device, to manage power, modes, and settings.

- **Power Button:** Press and hold to turn the device ON or OFF.
- **Mode Button:** Short press to cycle through the 18 color modes and 8 equalizer patterns.
- **Brightness/Speed Button:** Short press to adjust brightness (4 levels) or speed (5 settings) depending on the active mode.

2. Advanced Operation (Mobile App Control)

For full customization and control, download the official Monster LED app from your device's app store. The app allows access to all 18 color modes, 8 equalizer patterns, 4 brightness levels, and 5 speed settings.

1. **App Download:** Search for "Monster LED" or "Xtreme LED" in your smartphone's app store (iOS App Store or Google Play Store).
2. **Pairing:**
 - Ensure your light bar is powered on and within Bluetooth range of your smartphone.
 - Open the app and follow the on-screen instructions to discover and pair with your light bar.
 - *Note: Some users have reported initial difficulties with Bluetooth pairing. Ensure Bluetooth is enabled on your phone and try restarting both the light bar and the app if issues persist.*
3. **Customization:** Use the app interface to select desired color modes, equalizer patterns, adjust

brightness, and set animation speeds.

3. Sound-Reactive Displays (Music Mode)

Activate Music Mode via the built-in buttons or the mobile app to enable the light bar to react to ambient sounds and music, creating dynamic visual effects synchronized with audio.

Image: A close-up of the LED light bar with a USB charging cable connected, indicating its rechargeable feature.

MAINTENANCE

To ensure the longevity and optimal performance of your LED Equalizer Light Bar, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to gently wipe the surface of the light bar. Avoid abrasive cleaners, solvents, or excessive moisture, as these can damage the device.
- **Storage:** When not in use for extended periods, store the light bar in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To maintain battery health, avoid fully discharging the device frequently. Recharge the battery periodically even if not in regular use.
- **Water Resistance:** This product is **not water resistant**. Avoid exposure to liquids or high humidity.

TROUBLESHOOTING

If you encounter issues with your Monster LED Equalizer Light Bar, refer to the following common solutions:

- **Device Not Turning On:**
 - Ensure the device is fully charged. Connect it to a USB power source and allow it to charge for at least 30 minutes before attempting to power on again.
 - Verify the power button is pressed and held for a few seconds.
- **Lights Not Reacting to Sound:**
 - Confirm that Music Mode is activated.
 - Ensure there is sufficient ambient sound for the microphone to pick up.
 - Check the sensitivity settings via the mobile app, if applicable.
- **Difficulty with App Pairing (Bluetooth):**
 - Ensure Bluetooth is enabled on your smartphone and the light bar is powered on and nearby.
 - Try restarting both the light bar and the mobile application.
 - If issues persist, try unpairing and re-pairing the device through your phone's Bluetooth settings and the app.
- **Short Battery Life:**
 - Ensure the device is fully charged before use.
 - Battery life can vary based on brightness levels and active modes. Higher brightness and complex patterns consume more power.
 - If battery life significantly degrades over time, it may indicate battery wear.

SPECIFICATIONS

Brand	XTREME DIGITAL LIFESTYLE ACCESSORIES
Model Number	ECOM-1087-PP2
Color	Multicolor
Indoor/Outdoor Usage	Indoor
Special Feature	Rechargeable
Light Source Type	LED
Power Source	Battery Powered
