3. Setup Guide

3.1. Unpacking the TV

Carefully remove the TV and all accessories from the packaging. Ensure all components listed in the packing list are present.

3.2. Attaching the Stand

Place the TV face down on a soft, flat surface to prevent screen damage. Align the support feet with the corresponding slots on the bottom of the TV and secure them with the provided screws. Refer to the diagram below for proper attachment.

3.3. Connecting Peripherals

Your Konka Smart TV offers various ports for connecting external devices.

- **HDMI Ports:** Connect Blu-ray players, game consoles, or set-top boxes. Your TV has 3 HDMI inputs.
- **USB Ports:** Connect USB drives for media playback. Your TV has 2 USB inputs.
- **Power Connection:** Plug the power cord into the TV's power input and then into a wall outlet.
- **Network Connection:** Connect to your home network via Wi-Fi or an Ethernet cable (not included).

Image 3.2: Detailed view of the TV's input ports, including HDMI and component video inputs, along with the TV stand.

4. Operating Instructions

4.1. Initial Setup

Upon first power-on, the TV will guide you through the initial setup process:

1. **Language Selection:** Choose your preferred language.
2. **Network Connection:** Connect to your Wi-Fi network or use an Ethernet cable.
3. **Google Account Sign-in:** Sign in with your Google account to access Android TV features and the Google Play Store.
4. **Google Assistant Pairing:** Follow on-screen instructions to pair your remote for voice control. (Tip: Press the Google Assistant button, then press and hold OK and Volume+ until a green light flashes on the remote, then pair via Bluetooth.)
5. **Channel Scan:** Scan for available TV channels if connecting an antenna.

4.2. Using the Remote Control

The included remote control features dedicated buttons for popular apps and Google Assistant, allowing for quick access and voice commands.

4.3. Smart TV Features

- **Android TV Interface:** Navigate through the intuitive Android TV home screen to find apps, movies, and shows.
- **Google Assistant:** Press the Google Assistant button on your remote and speak your commands to search for content, control playback, or get information.
- **Chromecast Built-in:** Use the Cast icon in compatible apps on your mobile device or computer to stream content directly to your TV.
- **App Installation:** Download and install new applications from the Google Play Store.

5. Maintenance

- **Cleaning the Screen:** Use a soft, lint-free cloth specifically designed for electronics. Do not use abrasive cleaners or sprays directly on the screen.

- **Cleaning the Body:** Wipe the TV's body with a soft, dry cloth.
- **Software Updates:** Ensure your TV is connected to the internet to receive automatic software updates, which improve performance and add new features. You can also manually check for updates in the TV settings.
- **Ventilation:** Ensure adequate ventilation around the TV to prevent overheating. Do not block the ventilation openings.

6. Troubleshooting

This section addresses common issues you might encounter with your Konka Smart TV.

Problem	Possible Cause	Solution
No power	Power cord disconnected; Power outlet issue	Check power cord connection; Try a different outlet
No picture, but sound is present	Incorrect input source; Loose HDMI/AV cable	Press the 'Input' or 'Source' button on the remote; Reconnect cables securely
No sound, but picture is present	Volume muted or too low; External audio system issue	Unmute or increase volume; Check connections to external audio devices
Remote control not working	Dead batteries; Obstruction; Not paired (for voice commands)	Replace batteries; Remove obstructions; Re-pair remote for voice functions
Wi-Fi connection issues	Incorrect password; Router issues; Signal interference	Verify password; Restart router; Move TV closer to router or reduce interference
Apps are slow or freezing	Too many apps running; Low storage; Outdated app version	Close unused apps; Clear cache; Update apps; Restart TV

If the problem persists after trying these solutions, please contact customer support.
