## Qsun AK60-B

# Qsun Kitchen Island Model AK60-B Instruction Manual

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, and maintenance of your Qsun Kitchen Island, Model AK60-B. Please read this manual thoroughly before assembly and use to ensure safe and efficient operation of the product.

## SAFETY INFORMATION

---

Adhere to the following safety guidelines to prevent injury or damage to the product:

- Do not exceed the weight capacity of 250 lbs.
- Use caution when moving the island on uneven surfaces to prevent tipping.
- Be careful around sharp edges during assembly and use.
- Ensure all parts are properly secured before use.
- Do not allow children to play on, with, or around the cart.

## PRODUCT FEATURES

---

### Spacious Storage

The kitchen island is equipped with two large storage cabinets and two large drawers. The drawers feature soft-close slides for quiet operation. Additionally, a towel rack and a spice rack are integrated on both sides for convenient access.

# Large Storage Space

Keep The Kitchen Clean and Tidy

Image: The kitchen island with its cabinets and drawers open, demonstrating the ample storage capacity for various kitchen items.

## Mobile Design with Locking Wheels

The island stands on five metal universal wheels, with one centrally located for enhanced stability. Two of these wheels are lockable, allowing you to secure the island in place when needed.

# 5 Smooth-rolling Wheels

Make the kitchen island more stable

360° Swivel Casters for Movement

Lockable Casters for Stability

## ASSEMBLY INSTRUCTIONS

The Qsun Kitchen Island is designed for straightforward assembly. All necessary hardware and a detailed instruction manual are included with your purchase. For visual guidance, an installation video is available.

### General Assembly Tips:

- Unpack all components and verify against the parts list.
- Organize hardware by type to simplify the process.
- Follow the step-by-step instructions provided in the printed manual.
- Do not overtighten screws to avoid damaging the material.
- Ensure all connections are secure before moving or using the island.

### Installation Video Reference:

For a visual guide on assembly, please refer to the official installation video:

## OPERATING INSTRUCTIONS

---

### Using the Drop Leaf Countertop:

1. To extend the drop leaf: Gently lift the leaf until the support brackets click into place. Ensure both brackets are fully engaged for stability.
2. To fold down the drop leaf: Locate the release mechanisms on the underside of the support brackets. Press the releases and carefully lower the leaf until it rests against the side of the island.

### Locking and Unlocking Wheels:

Two of the five universal wheels are equipped with locking mechanisms. To secure the island in a stationary position, press down on the lever located on the top of the lockable wheels. To unlock and allow movement, lift the lever upwards.

### Accessing Storage:

- **Drawers:** Pull the knobs to open the drawers. The soft-close slides ensure smooth and quiet operation.
- **Cabinets:** Pull the knobs to open the cabinet doors. The doors are designed to stay securely closed when not in use.
- **Side Racks:** The towel rack and spice rack are fixed components on the sides of the island for easy access to frequently used items.

## MAINTENANCE

---

To maintain the appearance and longevity of your Qsun Kitchen Island, follow these simple care instructions:

- **Cleaning:** Wipe all surfaces with a dry, soft cloth. For spills, use a slightly damp cloth and dry immediately. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Rubber Wood Top:** The rubberwood countertop can be cleaned with a damp cloth. For best results and to preserve the wood, occasional treatment with food-safe mineral oil is recommended.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten as necessary.
- **Wheels:** Keep the wheels free of debris to ensure smooth movement.

## TROUBLESHOOTING

---

If you encounter any issues with your kitchen island, refer to the following common solutions:

- **Island moves when wheels are locked:** Ensure both lockable wheels are fully engaged by pressing down firmly on

their levers. If the issue persists, verify that the wheels are clean and free of obstructions.

- **Drop leaf feels unstable:** Confirm that the three metal support brackets are fully extended and locked into place. For added stability, especially when the leaf is extended, consider placing heavier items in the lower cabinets to lower the center of gravity.
- **Drawers or cabinet doors do not close smoothly:** Check for any obstructions within the drawers or cabinets. Ensure the soft-close slides are clean. For cabinet doors, verify that the magnetic closures are aligned and free of debris.
- **Missing parts during assembly:** If any parts are missing, please contact Qsun customer support with your purchase details and the specific missing components.

## SPECIFICATIONS

Feature	Detail
Product Dimensions	45.5"W x 17.5"D x 35.5"H
Shelf Type	Tiered Shelf
Frame Material	Engineered Wood, Rubberwood
Brand	Qsun
Color	Black
Furniture Finish	Rubber
Style	Modern
Maximum Weight Recommendation	250 Pounds
Number of Shelves	1
Assembly Required	Yes
Product Care Instructions	Wipe with Dry Cloth
Item Weight	98.5 pounds
Item Model Number	AK60-B
