## PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact Masupu customer support.

Image 3: An exploded diagram illustrating all individual parts included in the Masupu Nightstand package, along with an assembly guide and installation tool.

- Top Panel
- Side Panels (2)
- Bottom Panel
- Back Panel
- Drawer Front, Sides, and Back
- Drawer Bottom
- Metal Legs (4)
- Drawer Handle
- Hardware Pack (screws, cam locks, dowels, drawer slides, anti-slip pads)
- Assembly Guide
- Installation Tool (screwdriver)

## ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward. All parts are numbered for easy identification. A screwdriver is recommended for assembly.

### 1. Step 1: Unpack and Identify Parts

Carefully remove all components from the packaging. Lay them out on a clean, soft surface to prevent scratches. Refer to the included parts diagram (Image 3) to identify each piece and ensure all hardware is present.

### 2. Step 2: Assemble the Main Frame

Attach the side panels to the top and bottom panels using the provided screws and cam locks. Ensure the pre-drilled holes align correctly. Secure the back panel to complete the main structure.

### 3. Step 3: Attach Legs

Secure the four metal legs to the underside of the bottom panel using the designated screws. Ensure they are tightened firmly. Apply the anti-slip rubber pads to the bottom of each leg.

Image 4: Detail of the sturdy metal legs and the vertical grain panel of the drawer.

### 4. Step 4: Assemble the Drawer

Connect the drawer sides, front, and back panels using the provided hardware. Slide the drawer bottom into the grooves. Attach the drawer handle to the drawer front. Install the drawer slides onto the drawer and the main frame according to the instructions.

### 5. Step 5: Insert Drawer

Carefully align the assembled drawer with the slides in the main frame and push it in until it clicks into place. Test the drawer's movement to ensure it opens and closes smoothly.

# Dual Storage and Sturdy Drawers— built to handle all your storage needs.

## OPERATING YOUR NIGHTSTAND

The Masupu Nightstand is designed for convenient storage and display in bedrooms or living rooms.

- **Drawer Usage:** The single drawer provides enclosed storage for personal items such as remote controls, glasses, or small books. Gently pull the handle to open and push to close.
- **Open Shelf:** The open shelf above the drawer is ideal for displaying decorative items, storing books, or keeping frequently accessed items within reach.
- **Top Surface:** The top surface can hold a lamp, alarm clock, potted plant, or other decorative elements. Ensure items do not exceed the recommended weight limit.

## CARE AND MAINTENANCE

To maintain the appearance and longevity of your Masupu Nightstand, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining, especially on the white surfaces.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading or discoloration of the finish.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.

## TROUBLESHOOTING

---

If you encounter any issues with your nightstand, refer to the following common solutions:

- **Wobbly Nightstand:** Ensure all leg screws are tightened. Verify the nightstand is on a level surface. Adjust anti-slip pads if needed.
- **Drawer Sticks or Doesn't Close Smoothly:** Check that the drawer slides are correctly installed and free of obstructions. Ensure the drawer is not overloaded.
- **Scratches or Dents:** For minor imperfections, touch-up pens or furniture repair kits designed for engineered wood can be used.

## WARRANTY AND SUPPORT

---

For warranty information or customer support, please refer to the documentation included with your purchase or contact Masupu directly through their official website or the retailer where the product was purchased. Please have your model number (SW-2) and purchase date available when contacting support.
