## adidas SP5028

# Adidas Sport SP 5028 Eyeglasses Instruction Manual

Model: SP5028

## 1. INTRODUCTION

---

This manual provides essential information for the proper use, care, and maintenance of your Adidas Sport SP 5028 eyeglasses. Please read these instructions carefully to ensure optimal performance and longevity of your eyewear.

## 2. PRODUCT OVERVIEW

---

The Adidas Sport SP 5028 eyeglasses are designed for comfort and durability, suitable for everyday wear. They feature a rectangular frame shape and are constructed from stainless steel with polycarbonate lenses.

This image shows the front view of the Adidas Sport SP 5028 eyeglasses, highlighting the frame shape and color.

## 3. SETUP AND FITTING

---

Upon receiving your eyeglasses, ensure they fit comfortably. The frame should sit evenly on your face, with the nose pads resting gently on your nose bridge and the temples extending comfortably over your ears. If the fit is too loose or too tight, or if the eyeglasses slide down your nose, professional adjustment by an optician is

recommended. Avoid attempting to bend the frame yourself, as this may cause damage.

## 4. USAGE GUIDELINES

---

- **Wearing:** Always use both hands to put on and take off your eyeglasses to prevent bending the temples or frame.
- **Storage:** When not in use, store your eyeglasses in their protective case to prevent scratches and damage.
- **Handling:** Avoid placing eyeglasses face down on hard surfaces to protect the lenses from scratches. Do not expose them to extreme heat, such as leaving them on a car dashboard in direct sunlight, as this can warp the frame and damage lens coatings.

## 5. MAINTENANCE AND CARE

---

- **Cleaning Lenses:** Use a microfiber cloth specifically designed for eyeglasses. For stubborn smudges, rinse the lenses with lukewarm water and a small drop of mild dish soap. Gently rub with your fingertips, then rinse thoroughly and dry with a clean microfiber cloth. Avoid using paper towels, clothing, or harsh cleaning agents, as these can scratch the lenses or damage coatings.
- **Cleaning Frames:** Wipe the frames with a damp cloth and mild soap if necessary, then dry thoroughly.
- **Regular Checks:** Periodically check screws for tightness. If a screw becomes loose, gently tighten it with a small eyewear screwdriver. Do not overtighten.

## 6. TROUBLESHOOTING

---

- **Eyeglasses constantly sliding down:** The temples or nose pads may need adjustment. Visit an optician for professional fitting.
- **Lenses frequently smudged:** Ensure you are using a clean microfiber cloth and appropriate cleaning solution. Avoid touching the lenses with your fingers.
- **Loose screws:** Gently tighten with a small eyewear screwdriver. If the screw is stripped or missing, consult an optician for repair or replacement.
- **Frame feels crooked:** Avoid attempting to bend the frame yourself. A professional optician can adjust the frame to restore its proper alignment.

## 7. SPECIFICATIONS

---

Feature	Detail
Model Number	SP5028
Brand	adidas
Frame Material	Stainless Steel
Lens Material Type	Polycarbonate
Color	Matte Grey / Matte Light Yellow
Lens Width	55 Millimeters
Bridge Width	17 Millimeters
Arm Length	135 Millimeters

Item Weight	6 Ounces
Item Dimensions	6 x 2 x 2 inches
Age Range Description	Adult

## 8. WARRANTY INFORMATION

---

Specific warranty details for Adidas Sport eyewear may vary by region and retailer. Please refer to the warranty documentation provided at the time of purchase or contact your point of sale for information regarding coverage for manufacturing defects.

## 9. CUSTOMER SUPPORT

---

For further assistance, questions, or professional adjustments, please contact your authorized Adidas Sport eyewear retailer or a qualified optician. They can provide expert advice and services related to your eyeglasses.
