Oraimo OEB-E03D-White

Oraimo Roll Truly Wireless Earbuds User Manual

Model: OEB-E03D-White

Introduction

This manual provides detailed instructions for the proper use, setup, maintenance, and troubleshooting of your Oraimo Roll Truly Wireless Earbuds. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

Safety Information

To prevent damage to the product or injury to yourself and others, observe the following safety precautions:

- Do not disassemble, repair, or modify the earbuds or charging case. This may cause fire, electric shock, or complete damage to the product.
- Keep the product away from extreme temperatures, direct sunlight, and high humidity.
- Avoid exposing the earbuds to water for prolonged periods, despite their IPX4 rating. Dry them thoroughly after exposure to sweat or splashes.
- Do not use abrasive cleaners or harsh chemicals to clean the product.
- Use only the provided Type-C cable for charging.
- Listen at moderate volume levels to prevent hearing damage. Prolonged exposure to loud sounds can cause irreversible hearing loss.

Package Contents

Verify that all items are present in the package:

- One pair of Oraimo Roll Truly Wireless Earbuds
- Wireless Charging Case
- Type-C Charging Cable
- User Manual (this document)

Product Overview

The Oraimo Roll earbuds are designed for comfortable and immersive audio experiences. Below are the main components:

Image: The Oraimo Roll Truly Wireless Earbuds and their charging case, presented in white.

Key Features:

- **13mm Dynamic Drivers:** Deliver rich and full sound with deep bass.
- **ENC Technology:** Environmental Noise Cancellation for clear calls, utilizing omni-directional MEMS microphones to reduce background noise.
- **16-hour Playtime:** 4 hours on a single charge, with an additional 12 hours provided by the charging case.
- **IPX4 Waterproof:** Resistant to splashes and sweat, suitable for outdoor activities.
- **Oraimo QIC Instant Pairing:** Enables fast and seamless connectivity upon opening the case.
- **Touch Control:** Intuitive touch-sensitive areas on the earbuds for managing music and calls.

Image: A graphic explaining Environmental Noise Cancellation (ENC) technology, showing how it reduces background noise for clearer voice transmission during calls.

Setup

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided Type-C cable to the charging port on the case and a USB power source. The indicator lights on the case will show the charging status.

- Place the earbuds into the charging case correctly. They will begin charging automatically.
- A full charge provides approximately 4 hours of playtime for the earbuds, and the case holds an additional 12 hours of charge.

Image: The Oraimo Roll earbuds inside their open charging case, illustrating the 16-hour total playtime capacity.

2. Pairing with a Device

The Oraimo Roll earbuds feature QIC (Quick Instant Connect) pairing technology for seamless connection.

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth.
4. Search for "Oraimo Roll" in the list of available Bluetooth devices and select it to connect.
5. Once connected, a voice prompt will confirm successful pairing.

The earbuds will automatically reconnect to the last paired device when taken out of the case, if Bluetooth is enabled on the device.

Operating Instructions

Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

Wearing the Earbuds

Gently insert the earbuds into your ears. The ergonomic design ensures a comfortable and secure fit. Adjust them slightly until they feel snug and the audio quality is optimal.

Touch Controls

The Oraimo Roll earbuds feature intuitive touch controls on each earbud. Refer to the table below for specific functions:

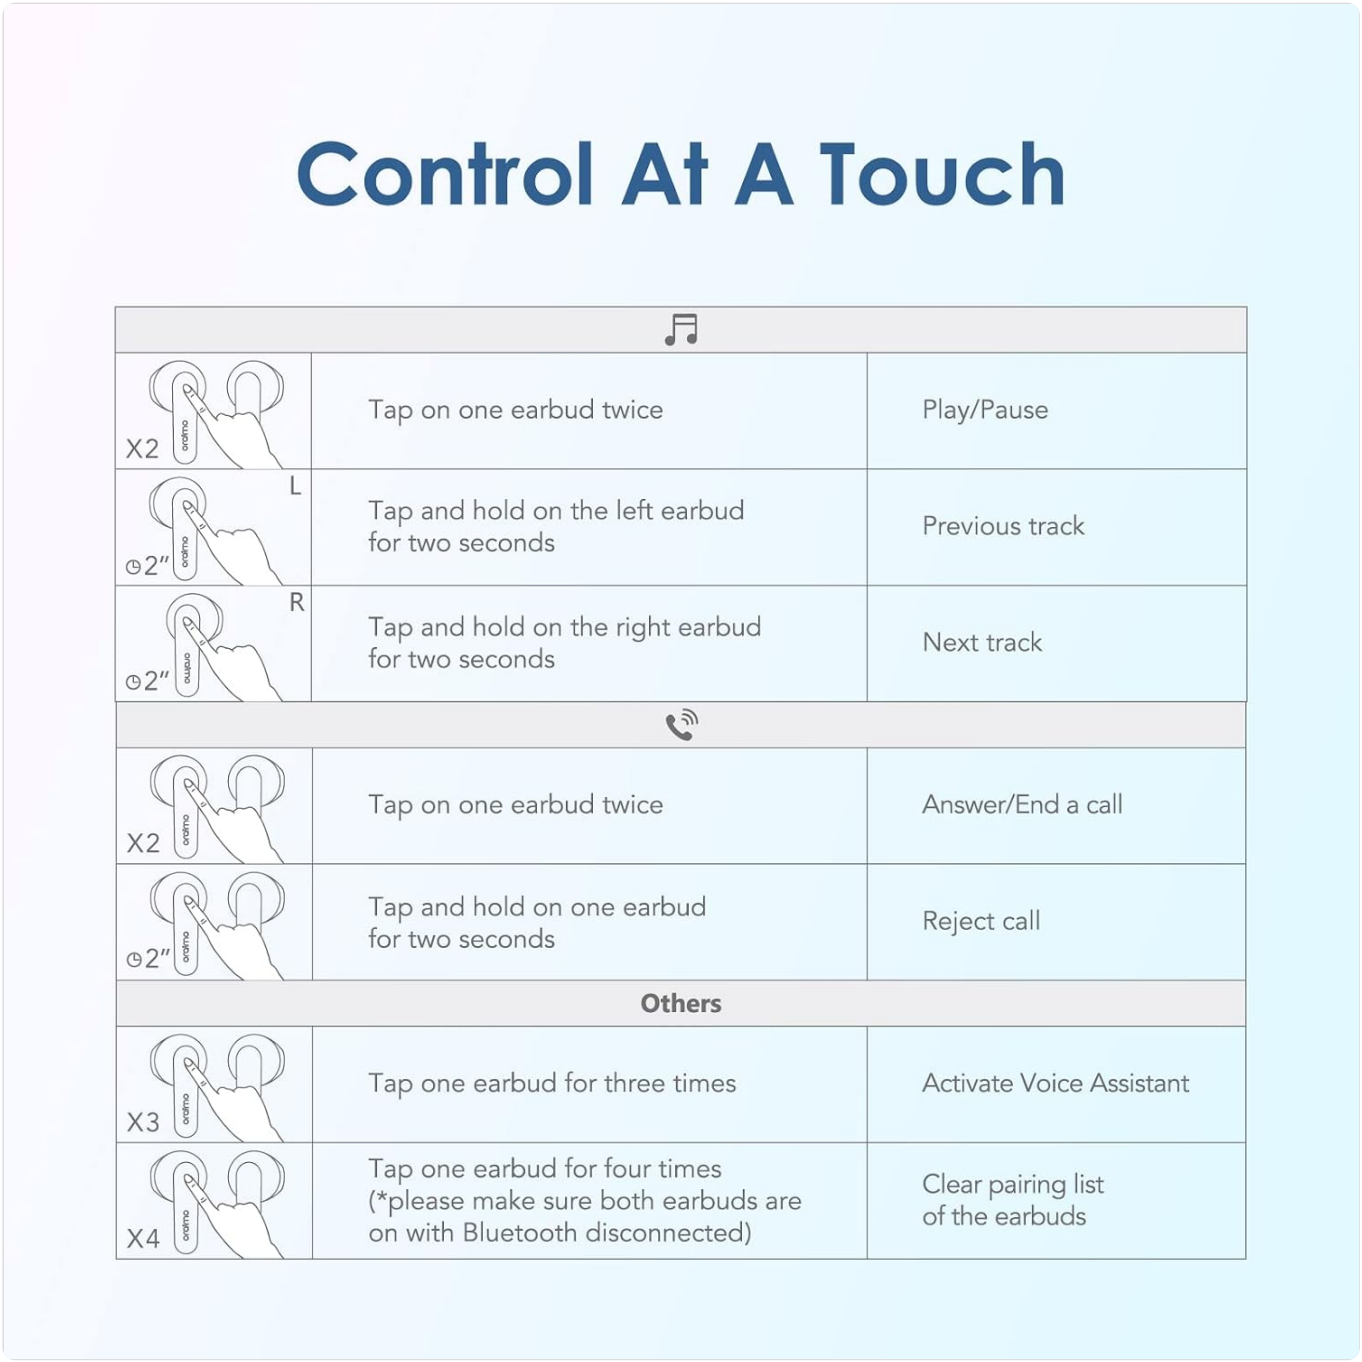

Image: A visual guide detailing the touch control functions for the Oraimo Roll earbuds, including actions for music playback, call management, and voice assistant activation.

Oraimo Roll Touch Control Functions

Action	Function
Tap on one earbud twice	Play/Pause (Music)
Tap and hold on the left earbud for two seconds	Previous track
Tap and hold on the right earbud for two seconds	Next track
Tap on one earbud twice	Answer/End a call
Tap and hold on one earbud for two seconds	Reject call
Tap one earbud three times	Activate Voice Assistant

Action	Function
Tap one earbud four times (*ensure both earbuds are on with Bluetooth disconnected)	Clear pairing list of the earbuds

Maintenance

Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use liquids or spray cleaners.
- Gently wipe the charging contacts on both the earbuds and the case to ensure proper connection.

Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the case in a cool, dry place away from direct sunlight.

Water Resistance (IPX4)

The Oraimo Roll earbuds are IPX4 rated, meaning they are resistant to splashing water from any direction. This makes them suitable for workouts and light rain. However, they are not designed for submersion in water. Always wipe the earbuds dry after exposure to sweat or water to prevent damage.

Troubleshooting

If you encounter any issues with your Oraimo Roll earbuds, try the following solutions:

- **No Sound/Low Volume:**
  - Ensure the earbuds are properly connected to your device.
  - Check the volume level on both your device and the earbuds.
  - Ensure the earbuds are charged.
- **Earbuds Not Pairing:**

- Make sure Bluetooth is enabled on your device.
- Place the earbuds back in the case, close the lid, wait a few seconds, then open it again to re-enter pairing mode.
- Try clearing the pairing list (refer to Touch Controls section) and re-pairing.
- Ensure the earbuds are within the Bluetooth range of your device (typically 10 meters).

- **One Earbud Not Working:**
  - Ensure both earbuds are charged.
  - Place both earbuds back in the charging case, close the lid, and then open it again.
  - Try clearing the pairing list and re-pairing.

- **Charging Issues:**
  - Check if the charging cable is securely connected to both the case and the power source.
  - Ensure the charging contacts on the earbuds and inside the case are clean and free of debris.
  - Try a different USB power adapter or port.

If the issue persists, please contact customer support.
