Saba Sensiti-V Ultra Thin Pads with Wings

Saba Sensiti-V Ultra Thin Pads with Wings User Manual

1. Introduction

The Saba Sensiti-V Ultra Thin Pads with Wings are designed to provide protection and comfort during menstruation, specifically formulated for sensitive skin. These pads feature an extra soft topsheet and are free from chlorine, fragrances, and dyes to minimize the risk of skin irritation. Each pack contains 20 pads, with this product offering 4 packs for a total of 80 pads.

2. Setup and Application

1. Remove the pad from its individual wrapper.
2. Peel off the paper backing to expose the adhesive strip on the back of the pad.

3. Position the pad in your undergarment, ensuring it adheres securely to the fabric.
4. Fold the wings around the sides of your undergarment and press them firmly to secure the pad in place.

3. Operating and Usage

These pads are designed for moderate flow. Change the pad regularly based on your menstrual flow to maintain hygiene and prevent leakage. It is recommended to change pads every 3-4 hours, or more frequently if your flow is heavy.

4. Maintenance and Disposal

After use, remove the pad from your undergarment. Roll the used pad tightly and wrap it in toilet paper or its original wrapper. Dispose of the wrapped pad in a trash receptacle. Do not flush pads down the toilet, as they can cause plumbing issues.
