Tuanzi T10

Tuanzi T10 Smart Watch with Earbuds User Manual

MODEL: T10

Introduction

This manual provides detailed instructions for the setup, operation, and maintenance of your Tuanzi T10 Smart Watch with integrated TWS Earbuds. Please read this manual thoroughly before use to ensure proper functionality and to maximize your product experience.

The Tuanzi T10 combines a 1.28-inch round touch color screen smartwatch with built-in Bluetooth 5.0 TWS HiFi stereo headphones, offering a versatile wearable experience for daily activity tracking, communication, and music enjoyment.

What's in the Box

Upon opening the product packaging, you should find the following items:

- Tuanzi T10 Smart Watch (with pre-attached straps and integrated TWS earphones)
- USB Magnetic Charging Cable
- User Manual

The Tuanzi T10 Smart Watch with its integrated earbuds.

Setup

Follow these steps to set up your Tuanzi T10 Smart Watch and pair it with your smartphone.

1. **Charge the Smart Watch:** Before initial use, ensure the watch is fully charged using the provided USB magnetic charging cable. The watch comes pre-charged, but a full charge is recommended.
2. **Download the App:** Open the included user manual and locate the QR code. Scan this QR code with your smartphone to download and install the 'VeryFit' application from your device's app store (available for Android 4.4 and above, and iOS 8.0 and above).

Locate and scan the QR code in the user manual to download the 'VeryFit' app.

3. **Enable Bluetooth:** On your smartphone, navigate to your settings and ensure Bluetooth is enabled.
4. **Register/Log In:** Open the 'VeryFit' app and follow the on-screen prompts to register a new account or log in if you already have one.
5. **Pair the Device:** Within the 'VeryFit' app, select the option to 'Add Device' or 'Pair Device'. The app will search for nearby devices. Select 'T10' from the list of found devices to initiate pairing. Confirm the pairing request on both your phone and the watch if prompted.
6. **Configure Settings:** After successful pairing, the app will guide you through initial settings such as language selection, unit format (e.g., Celsius/Fahrenheit, km/miles), and notification preferences (call alerts, SMS, calendar, emails).

Operating Your Smart Watch

The Tuanzi T10 Smart Watch offers a variety of functions accessible through its touch screen and physical buttons.

Basic Navigation

- **Power On/Off:** Long press the side button to turn the watch on or off.
- **Screen Activation:** Raise your wrist or press the side button to wake the screen.
- **Swipe Up/Down:** Toggle through menus and view long text details.
- **Swipe Left/Right:** Toggle through different menu screens or features.
- **Tap Screen:** Enter a menu or select an option.
- **Tap and Hold:** Switch between various watch faces.

Key Features

- **Health Monitoring:** The watch tracks heart rate, blood pressure, and SpO2 (blood oxygen) levels. It also includes a sleep monitor to track your sleep quality.
- **Fitness Tracking:** Monitor daily activities such as steps taken, calories burned, and distance covered. The watch supports various workout modes for tracking specific exercises.
- **Notifications:** Receive call alerts, SMS messages, calendar reminders, and email notifications directly on your wrist.

when connected to your smartphone.

- **Music Control:** Control music playback on your smartphone (play, pause, skip tracks) directly from the watch.
- **TWS Earbuds:** The integrated earbuds provide HiFi stereo sound for calls and music. They are stored and charged within the watch itself.
- **Other Functions:** Includes features like weather updates, camera remote control, 'Find Phone' and 'Find Watch' functions, stopwatch, clock, non-disturb mode, and sedentary reminders.

Overview of the Tuanzi T10 Smart Watch's main functions, including call reminders, heart rate, blood pressure, and activity tracking.

Maintenance

Proper care and maintenance will extend the life of your Tuanzi T10 Smart Watch.

Charging

Use only the provided USB magnetic charging cable. Connect the magnetic end to the charging points on the back of the watch. A full charge typically takes approximately 1 hour and provides 3-10 days of use (without earphones) or about 2.5 hours of continuous earphone playback.

Cleaning

Regularly clean the watch and strap with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials. Ensure the charging contacts are clean and dry before charging.

Water Resistance

The Tuanzi T10 Smart Watch has a waterproof rating. While it can withstand splashes and brief immersion, it is not

recommended for swimming or showering, especially with hot water, as this may affect its water resistance over time.

Troubleshooting

If you encounter issues with your Tuanzi T10 Smart Watch, try the following steps:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger and wait a few minutes before attempting to power it on again.
- **Unable to pair with phone:** Check that Bluetooth is enabled on your phone and that the 'VeryFit' app is open. Ensure the watch is close to your phone. Restart both the watch and your phone, then try pairing again.
- **Notifications not received:** Verify that notification permissions are granted to the 'VeryFit' app in your phone's settings. Also, check the notification settings within the 'VeryFit' app itself.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, but not too tight. Keep the sensor clean.
- **Earbuds not connecting/charging:** Ensure the earbuds are properly seated in their charging slots within the watch. Check for any debris obstructing the charging contacts.

If the issue persists, please refer to the comprehensive troubleshooting section in the full user manual or contact customer support.
