MOOKAKA WXC-Cadillac

MOOKAKA 15W Max Fast Wireless Car Charger Pad User Manual

Model: WXC-Cadillac

1. INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your MOOKAKA 15W Max Fast Wireless Car Charger Pad. This product is designed to provide convenient and efficient wireless charging for compatible mobile devices within your vehicle. Please read this manual thoroughly before use to ensure proper function and safety.

2. SAFETY INFORMATION

- Do not place metal objects, credit cards, or other foreign materials between the charging pad and your device, as this may interfere with charging or cause damage.
- Ensure the charging pad is securely installed and does not obstruct driving visibility or vehicle controls.
- Avoid exposing the charger to extreme temperatures, direct sunlight for prolonged periods, or moisture.
- Do not attempt to disassemble or modify the charger. Refer all servicing to qualified personnel.
- This device features an intelligent temperature control system to prevent overheating. If the temperature becomes too high, the power supply to the mobile phone will be temporarily stopped for safety.

5. COMPATIBILITY

5.1 Vehicle Compatibility

- Cadillac XT5: 2016, 2017, 2018, 2019, 2020, 2021
- Cadillac XT6: 2020, 2021

5.2 Device Compatibility

This charger is compatible with all Qi-enabled smartphones and smartwatches, including but not limited to iPhone, Samsung, TCL, and Motorola devices that support wireless charging.

6. SETUP AND INSTALLATION

The MOOKAKA Wireless Car Charger Pad is designed for a straightforward installation process, often taking only a few seconds. It integrates directly into the designated console area of compatible Cadillac models.

1. Locate the designated storage area in your vehicle's center console where the charger is intended to be installed.
2. Carefully place the MOOKAKA charger pad into this area, ensuring it fits snugly and aligns with the vehicle's interior contours.
3. Connect the charger to the vehicle's power supply as instructed by the vehicle's manual or the charger's specific wiring (if applicable, though often plug-and-play for this type of product).
4. Verify that the charger is stable and does not move during driving.

FIT FOR 16-21 CADILLAC XT5/20-21 XT6

7. OPERATING INSTRUCTIONS

To charge your device wirelessly:

1. Ensure your vehicle's ignition is on and the charger is receiving power.
2. Place your Qi-enabled mobile device directly onto the charging pad. Ensure the device is centered on the pad for optimal charging.
3. The charging indicator on your device should activate, confirming that wireless charging has begun.
4. If charging does not begin, adjust the position of your device on the pad. Remove any thick cases or metal attachments that may interfere with wireless charging.

Important Note:

- For optimal fast charging, ensure your device supports 15W wireless charging.
- The charger features an intelligent temperature control system. If the charger or device becomes too hot, charging may temporarily pause to prevent damage.

8. MAINTENANCE

- Keep the charging pad clean and free from dust and debris. Use a soft, dry cloth for cleaning.
- Do not use harsh chemicals or abrasive cleaners on the device.
- Regularly check for any loose connections or damage to the charger.

9. TROUBLESHOOTING

Problem	Possible Cause	Solution
Device not charging	◦ Device not Qi-enabled. ◦ Device not properly aligned. ◦ Thick phone case or metal objects interfering. ◦ Vehicle power off.	◦ Verify device supports Qi wireless charging. ◦ Adjust device position on the pad. ◦ Remove case or any foreign objects. ◦ Ensure vehicle ignition is on.
Slow charging	◦ Device not supporting fast wireless charging. ◦ Background apps consuming power.	◦ Confirm device fast wireless charging capability. ◦ Close unnecessary background applications.
Charger or device gets hot	◦ Normal during wireless charging. ◦ Overheating protection activated.	◦ This is normal. Charging will resume when temperature drops. ◦ Ensure proper ventilation around the charger.
