2. SAFETY INFORMATION

For safe and optimal use of your Soundcore Sleep A10 Bluetooth Sleep Earbuds, please adhere to the following guidelines:

- Ensure to power the earbuds with the specified battery only.
- Avoid exposure to water or extreme temperatures.
- Use the earbuds only as intended for sleep assistance.
- Always utilize the latest version of the Soundcore app for best performance.

3. WHAT'S IN THE BOX

Your Soundcore Sleep A10 package includes:

- Soundcore Sleep A10 Bluetooth Sleep Earbuds (Left and Right)
- Charging Case

- Multiple sizes of ear wings and Twin Seal ear tips for a customized fit
- USB-C Charging Cable
- Quick Start Guide and Safety Manual

4. SETUP

4.1. Charging

Before first use, fully charge the earbuds and the charging case. Connect the USB-C charging cable to the case and a power source. The LED indicators on the case will show charging status.

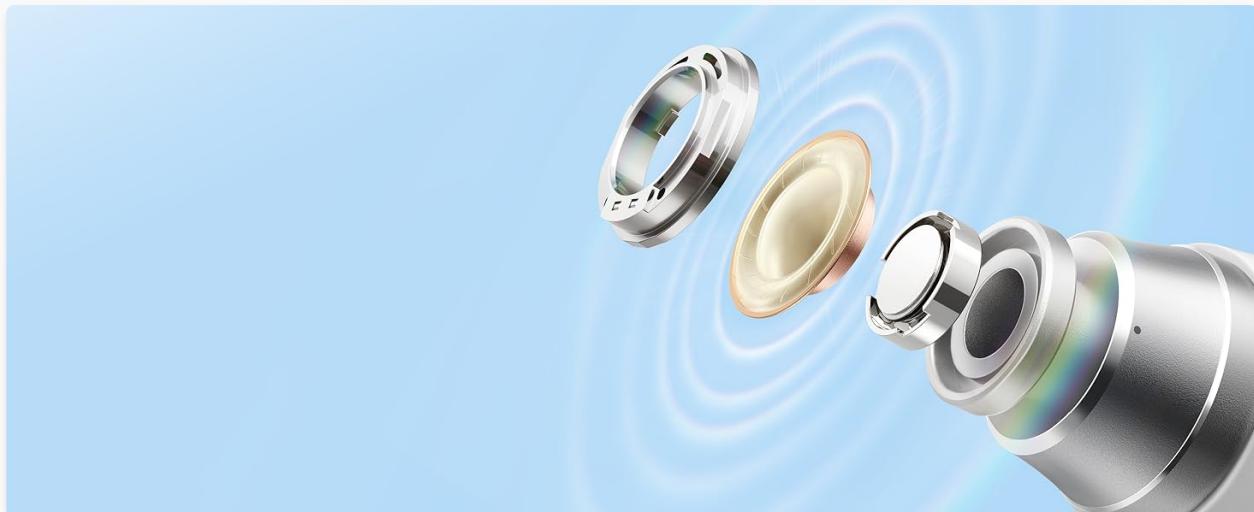

Figure 2: Charging the Soundcore Sleep A10 Earbuds and Case.

4.2. App Download & Installation

Download the Soundcore app from your device's app store. The app is essential for accessing all features, including sleep sounds, monitoring, and alarm settings.

*Combined use = 30 mins Music mode, 7.5 hours Sleep mode.
• Battery playtime in combined use, Music mode, and Sleep mode is obtained from testing in the Anker laboratory using the earbuds'
  default settings; no smart volume control (sleep mode only), no alarm set, and 50% volume.
• The actual playtime may vary by volume, audio source, environmental interference, usage, etc.

4.3. Bluetooth Pairing

Open the charging case. The earbuds will automatically enter pairing mode. On your smartphone, enable Bluetooth and select "Soundcore Sleep A10" from the list of available devices.

4.4. Fitting the Earbuds

Select the ear tips and ear wings that provide the most comfortable and secure fit for your ears. A proper fit is crucial for effective noise blocking and comfort, especially for side sleepers.

5. OPERATING INSTRUCTIONS

5.1. Sleep Monitoring

The Soundcore Sleep A10 earbuds track your sleep patterns. Access the Soundcore app to view insights into your sleep quality and duration, helping you achieve a better rest.

Figure 6: Manage your sleep health with integrated monitoring.

5.2. Noise Masking

The earbuds utilize a 4-point noise masking system, including ear wings and Twin Seal tips, to create a secure, noise-blocking seal. Smart volume adaptation further ensures uninterrupted sleep by masking ambient noises.

5.3. Playing Audio

Enjoy stable wireless streaming from various apps and devices via Bluetooth 5.2. The Soundcore app offers a vast array of white noise and ambient sounds to promote relaxation and sleep. The customized dynamic drivers are engineered to emit low-frequency sounds at 10dB softer than typical drivers, optimizing white noise for sleep.

5.4. Personal Alarm

Set a personal alarm through the Soundcore app. The earbuds will gently wake you without disturbing others.

6. MAINTENANCE

To ensure the longevity and optimal performance of your Soundcore Sleep A10 earbuds:

- Regularly clean the ear tips and ear wings with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials.
- Store the earbuds in their charging case when not in use to protect them from dust and damage.
- Keep the charging port free of debris.

7. TROUBLESHOOTING

If you encounter issues with your Soundcore Sleep A10 earbuds, try the following:

- **No Power:** Ensure the charging case and earbuds are fully charged.

- **Cannot Pair:** Make sure Bluetooth is enabled on your device and the earbuds are in pairing mode. Try resetting the earbuds by placing them in the case and closing/opening the lid.
- **Poor Sound Quality/Noise Blocking:** Check that the ear tips and ear wings are correctly sized and properly seated in your ears to create a good seal.
- **App Connectivity Issues:** Ensure the Soundcore app is updated to the latest version. Restart the app or your device if necessary.
- **Sleep Data Not Recording:** Verify that sleep monitoring is enabled in the Soundcore app and that the earbuds are worn correctly throughout the night.

For persistent issues, refer to the full user manual available online or contact Soundcore customer support.

8. SPECIFICATIONS

Feature	Detail
Product Dimensions	2.69 x 2.69 x 1.04 inches; 2.08 ounces
Item Model Number	A6610Z21
Batteries	3 Lithium Polymer batteries required (included)
Date First Available	October 20, 2022
Manufacturer	Anker
Color	White
Material	Memory foam
Power Source	Battery Powered
Item Depth	26.5 millimeters
