## 2. SETUP AND INSTALLATION

Follow these steps to properly install your tablet into the ProCase Rugged Heavy Duty Shockproof Rotating Kickstand Cover:

1. **Step 1: Remove Front Frame.** Carefully remove the front frame of the case. Refer to the arrow indicated on the case for the correct position to begin.
2. **Step 2: Separate Silicone Cover.** Gently separate half of the silicone outer cover from the rigid PC (polycarbonate) inner shell.
3. **Step 3: Place Tablet.** Insert your Samsung Galaxy Tab into the PC inner shell, ensuring it is seated correctly and securely.
4. **Step 4: Reinstall Silicone Cover.** Reinstall the silicone cover to its original position, ensuring it fits snugly around the PC shell and tablet.
5. **Step 5: Attach Front Frame.** Place the front frame back onto the case and press firmly along the edges until it clicks securely into place.
6. **Step 6: Assemble Shoulder Strap.** Attach the adjustable shoulder strap to the designated loops on the case, if desired.

### 3. OPERATING INSTRUCTIONS

---

#### 3.1 Using the 360-Degree Rotatable Kickstand

The integrated kickstand on the back of the case can be rotated 360 degrees to provide various viewing and typing angles. Simply pull out the kickstand and rotate it to your desired orientation. This allows for hands-free use, whether you are watching videos, typing, or presenting.

## ▶ 360 Rotatable Kickstand

allows you to set up multiple angles, free your hands for other entertainment

### 3.2 Utilizing the Ergonomic Back Handle

The ergonomic handle located on the back of the case, integrated with the kickstand, allows you to securely grip your tablet with one hand. This feature reduces the risk of accidental drops and provides comfort during extended use.

### 3.3 Adjustable and Removable Shoulder Strap

The included shoulder strap offers ultimate convenience for carrying your tablet. It can be adjusted to your preferred length for comfortable transport. Additionally, the strap allows you to mount the tablet to a car headrest, providing entertainment for passengers in the back seat, ideal for travel.

### 3.4 S Pen Holder and Access to Features

The case includes a dedicated cut-out for your S Pen, allowing it to be magnetically attached and charged wirelessly while the tablet is inside the case. Precise cutouts ensure full and unobstructed access to all tablet features, including cameras, speaker, charging ports, and control buttons.

## 4. MAINTENANCE

---

To ensure the longevity and optimal performance of your ProCase cover, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust and smudges. For stubborn dirt, a mild soap solution can be used, but ensure the case is completely dry before reinserting your tablet.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or strong detergents, as these can damage the silicone and PC materials.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect the case for any signs of wear or damage, especially around the edges and moving parts like the kickstand.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your ProCase cover, consider the following common solutions:

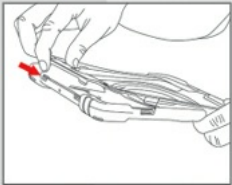

- **Tablet Does Not Fit:** Ensure your tablet model number matches the compatible models listed (SM-X350, SM-T630, SM-T638, SM-T540, SM-T547). Verify the tablet is oriented correctly during installation.
- **Case Not Closing Properly:** Double-check that the tablet is fully seated within the PC inner shell and that the silicone cover and front frame are aligned and snapped into place correctly.
- **S Pen Not Staying in Holder/Charging:** Ensure the S Pen is placed firmly into its designated slot. Confirm your tablet model supports magnetic attachment and wireless charging for the S Pen.
- **Kickstand or Handle Stiffness:** New cases may have slightly stiff moving parts. Gentle, repeated use should loosen them. Do not force the mechanisms.

If the issue persists, please refer to the support section for further assistance.

## 6. SPECIFICATIONS
