KEY FEATURES

- **Premium Material Construction:** Built from a durable synthetic leather exterior and a soft microfiber interior, providing a snug fit and protective layer against scratches and impacts.
- **Multi-Angle Viewing Stand:** Allows you to adjust your iPad to multiple secure viewing angles for typing, watching, or drawing.
- **Built-in Magnetic Strip:** Supports the iPad's automatic sleep/wake function, conserving battery life.
- **Integrated Apple Pencil Holder:** Securely stores and protects your Apple Pencil (USB-C) or Apple Pencil 1st Gen. A convenient hole behind the holder allows for easy pushing out of the pencil.
- **Document Card Pocket:** Designed to store business cards, bank cards, notes, or bills, enhancing portability and convenience.
- **Elastic Band Closure:** Provides additional security, keeping the case firmly closed when not in use.

This image highlights the high-quality materials used in the case's construction, including the soft microfiber lining and the durable hard PC cover, ensuring both comfort and protection for your device.

The elastic band on the back of the case is shown, providing a secure closure mechanism to keep your iPad protected when not in use.

SETUP & INSTALLATION

1. **Prepare Your iPad:** Ensure your iPad is clean and free of any debris or existing screen protectors that might interfere with the case's fit.
2. **Align the iPad:** Gently align your iPad with the hard PC cover frame of the case. Ensure the camera, ports, and buttons are correctly aligned with the case's cutouts.
3. **Secure the iPad:** Press firmly around the edges of the iPad until it snaps securely into the hard PC cover. The case is designed for a snug fit to prevent accidental dislodgement.

4. **Check Fit:** Once installed, gently tug on the iPad to ensure it is fully seated and secure within the case. Verify that all ports and buttons are accessible and functional.

OPERATING INSTRUCTIONS

Multi-Angle Viewing

The case features an anti-slip stripe and grooves on the interior cover, allowing you to prop up your iPad at various angles. Simply fold the front cover back and align the edge of your iPad with one of the grooves to achieve your desired viewing or typing angle.

Multiple Viewing

It turns into a convenient stand. Frees your hands and gives you a best viewing angle.

Anti-slip Stripe

This image illustrates how the case can be folded to create a multi-angle stand, providing different viewing positions for the iPad.

Auto Sleep/Wake Function

The built-in magnetic strip automatically wakes your iPad when the cover is opened and puts it to sleep when the cover is closed. This feature helps conserve battery life.

Auto Sleep / Wake

Wake on open. Sleep on close.

This diagram visually explains the auto sleep/wake functionality, showing the iPad waking up when the cover is opened and sleeping when closed.

Using the Apple Pencil Holder

Insert your Apple Pencil (USB-C or 1st Gen) into the designated elastic loop on the side of the case. To easily remove the pencil, push it through the small hole located behind the holder.

Built-in Apple Pencil Holder

Press your pencil through the small slot to push it out.

Apple Pencil Not Included

Utilizing the Document Pocket

The large pocket on the front cover can accommodate various small items such as business cards, bank cards, notes, or bills. Simply lift the flap to access the pocket.

Large Pocket

Accommodate necessary cards, cash, paper documents etc.

This image illustrates the spacious document pocket on the front cover, capable of holding various small items like cards and cash for convenience.

Touch ID Access

The case is designed with precise cutouts to ensure full access to all buttons, ports, and features, including Touch ID. You can securely unlock your iPad without removing it from the case.

Touch ID Securely Unlock Your iPad

All buttons and ports are exposed for smooth control.

This image demonstrates how the case provides unobstructed access to the iPad's Touch ID sensor, allowing for secure unlocking without removing the device.

MAINTENANCE & CARE

To ensure the longevity and appearance of your FINTIE case, follow these care instructions:

- **Cleaning:** Wipe the exterior with a soft, damp cloth. For stubborn stains, a mild soap solution can be used, but avoid harsh chemicals or abrasive cleaners.
- **Drying:** Allow the case to air dry completely. Do not use direct heat sources like hair dryers, as this may damage the material.
- **Storage:** Store the case in a cool, dry place away from direct sunlight when not in use for extended periods.
- **Avoid Overfilling:** Do not overfill the document pocket, as this may stretch the material or prevent the case from closing properly.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
iPad does not fit securely.	Incorrect iPad model or improper installation.	Verify your iPad model number against the compatibility list. Ensure the iPad is pressed firmly into the case until it clicks into place.
Auto sleep/wake function not working.	iPad settings or magnetic interference.	Ensure "Lock/Unlock" is enabled in your iPad's settings (Settings > Display & Brightness > Lock/Unlock). Check for any external magnetic objects near the case.
Case stand is unstable.	iPad not properly seated in grooves or uneven surface.	Ensure the iPad's edge is fully seated within the anti-slip grooves. Use the case on a flat, stable surface.
