# HOOBRO Cat Tree with Litter Box Enclosure

Model: FG13MZ03

## INTRODUCTION

Thank you for choosing the HOOBRO Cat Tree with Litter Box Enclosure, model FG13MZ03. This multifunctional cat furniture is designed to provide a comfortable and stimulating environment for your indoor cats, combining a cat tree with scratching posts, a hammock, a cat house, and a hidden litter box enclosure. This manual provides essential information for the safe assembly, operation, and maintenance of your new cat furniture.

Please read these instructions carefully before assembly and retain them for future reference.

## SAFETY INSTRUCTIONS

- Ensure all parts are securely fastened before allowing cats to use the product.
- Place the cat tree on a flat, stable surface to prevent tipping.
- Regularly inspect the product for loose or damaged parts, especially the sisal scratching posts and teaser sticks. Replace or repair as necessary.
- Keep small children away from the product during assembly.
- This product is designed for indoor use only.
- Do not exceed the recommended weight capacity (suitable for small breeds).

## SETUP AND ASSEMBLY

The HOOBRO Cat Tree with Litter Box Enclosure requires assembly. A detailed assembly guide, labeled accessories, and all necessary tools are included in the package. Follow the step-by-step instructions provided in the separate assembly manual for proper construction.

### Key Assembly Tips:

- Identify all components before starting.
- Use an electric drill for faster and easier screw installation, but be careful not to overtighten.
- Ensure all connections are tight to prevent wobbling.
- Pay attention to the orientation of parts, especially the litter box enclosure door hinge, which is not reversible.

## OPERATING INSTRUCTIONS

This cat tree offers multiple features for your cat's comfort and entertainment:

- **Sisal Pillars:** Encourage natural scratching behavior by directing your cat to the sisal-wrapped posts. This helps protect your furniture.
- **Cat Hammock:** A soft, plush hammock provides a cozy spot for your cat to rest and observe its surroundings.
- **Cat House:** A small square cat house with a round entrance offers a private and secure resting area.
- **Litter Box Enclosure:** The bottom compartment serves as a hidden litter box enclosure, helping to contain odors and mess. The internal space measures approximately 17.3" L x 19.7" W x 15" H, with an arched cat entrance of 7.1" W x 9.4" H.
- **Teaser Sticks:** Three detachable teaser sticks are included for interactive play, stimulating your cat's hunting instincts.

## MAINTENANCE

Regular maintenance will extend the life of your HOOBRO Cat Tree:

- **Cleaning:** The particleboard surfaces can be easily cleaned with a dry cloth to remove dust and stains. For the top cushion, which features hook and loop tape, use a sticker roller for daily care.
- **Sisal Posts:** Over time, sisal ropes may fray. Monitor the condition of the scratching posts and replace them if they become excessively worn to maintain their effectiveness and prevent injury.
- **Structural Integrity:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary to maintain stability.

## TROUBLESHOOTING

If you encounter any issues with your HOOBRO Cat Tree, refer to the following common solutions:

Problem	Possible Cause	Solution
Product wobbles	Loose screws or uneven placement.	Ensure all screws are tightened. Place the unit on a level surface.

Problem	Possible Cause	Solution
Teaser sticks detach easily	Normal wear or aggressive play.	Reattach the sticks. If frequently detached, consider securing them more firmly or replacing them if damaged.
Rough edges on openings	Manufacturing variation.	You may place soft towels or fabric around the edges for your cat's comfort.
Missing parts during assembly	Packaging error.	Contact HOOBRO customer support with your purchase details for assistance.
Litter box enclosure door issues	Hinge not installed correctly or not designed to be reversible.	Verify hinge installation according to the manual. Note that the door hinge is fixed and cannot be flipped to the left side.
