GUESS GUGW0486G2 Men's Quartz Wristwatch User Manual

Model: GW0486G2

1. INTRODUCTION

Thank you for choosing the GUESS GUGW0486G2 Men's Quartz Wristwatch. This manual provides essential information for the proper setup, operation, and maintenance of your watch. Please read these instructions carefully to ensure optimal performance and longevity of your timepiece.

2. PRODUCT OVERVIEW

2.1 Key Features

- Quartz Movement for precise timekeeping.
- Durable construction suitable for daily wear.
- Mineral glass for enhanced scratch resistance.
- Water resistance up to 5 ATM.

2.2 Watch Components

Familiarize yourself with the main components of your GUESS wristwatch:

- **Crown:** Used for setting the time.
- **Pushers:** Buttons located on the side of the case, typically used for adjusting sub-dials or chronograph functions (if applicable).
- **Dial:** The watch face displaying time and other indicators.
- **Hands:** Hour, minute, and second hands.
- **Sub-dials:** Smaller dials on the main face, often indicating 24-hour time or other functions.
- **Strap:** Secures the watch to your wrist.
- **Buckle:** Fastens the strap.

dial, and black silicone strap.

Figure 2: Side view of the watch, highlighting the gold-tone case profile, crown, and pushers.

Figure 3: Close-up of the black silicone strap and gold-tone buckle mechanism.

3. SETUP

3.1 Setting the Time

1. Pull the crown out to the first or second click position (depending on the model, usually the outermost

position).

2. Rotate the crown to move the hour and minute hands to the correct time.
3. Push the crown back into its normal position to start the watch.

3.2 Adjusting Sub-dials (if applicable)

Your watch features sub-dials, including a 24-hour indicator. These are typically synchronized with the main time setting. If your model includes additional functions like a chronograph, refer to specific instructions for pusher operation. For basic time setting, ensure the 24-hour sub-dial reflects the correct AM/PM.

4. OPERATING YOUR WATCH

4.1 Water Resistance

Your GUESS GUGW0486G2 watch has a water resistance rating of 5 ATM (50 meters). This means it is suitable for everyday use and can withstand splashes, rain, and brief immersion in water. It is **not** suitable for swimming, diving, or showering, as prolonged exposure to water pressure or steam can compromise the seals.

- Do not operate the crown or pushers when the watch is wet or submerged.
- Avoid exposing the watch to extreme temperature changes, such as moving from a hot sauna to cold water.

5. MAINTENANCE

5.1 Cleaning

To maintain the appearance of your watch:

- Wipe the case and strap regularly with a soft, dry cloth.
- For silicone straps, a mild soap solution and water can be used, followed by thorough drying.
- Avoid using harsh chemicals, solvents, or abrasive cleaners.

5.2 Battery Replacement

Your quartz watch is powered by a button cell battery. When the battery runs low, the watch may stop or the second hand may skip. Battery life typically ranges from 2 to 3 years, depending on usage. It is recommended to have the battery replaced by a qualified watch technician to ensure proper sealing and prevent damage to the movement.

5.3 Storage

When not wearing your watch, store it in a cool, dry place away from direct sunlight, extreme temperatures, and strong magnetic fields.

6. TROUBLESHOOTING

- **Watch not running:** Check if the crown is pushed in completely. If it is, the battery may need replacement.
- **Incorrect time:** Reset the time as described in Section 3.1. If the time continues to be inaccurate, the watch may require servicing.
- **Condensation inside the crystal:** This indicates a breach in the water resistance. Avoid further contact with water and seek professional service immediately.

7. SPECIFICATIONS

Feature	Specification
Model Number	GW0486G2
Movement	Quartz
Case Diameter	46 mm
Case Shape	Round
Glass Material	Mineral Crystal
Water Resistance	5 ATM (50 meters)
Weight	126 grams
Battery Type	Button Cell (included)

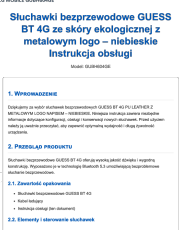

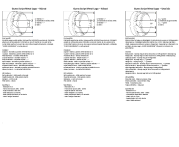

8. WARRANTY AND SUPPORT

Your GUESS GUGW0486G2 wristwatch is covered by a manufacturer's warranty. Please refer to the warranty card included with your purchase for specific terms and conditions. For technical support, service, or warranty claims, please contact your authorized GUESS retailer or visit the official GUESS website for customer service information.
