dbest products Trolley Dolly Sport Stair Climber

MODEL: 01-917 INSTRUCTION MANUAL

Introduction

The dbest products Trolley Dolly Sport Stair Climber is a versatile and foldable utility cart designed for convenient transport of items. It features a removable bag for groceries and a sturdy frame that can function as a hand truck. Its unique stair climbing wheel design facilitates movement over curbs and stairs, making it suitable for various environments.

Setup

The Trolley Dolly Sport Stair Climber requires no assembly. It arrives in a folded, compact state. To set it up for use:

1. Unfold the metal frame by pulling the handle upwards until the base locks into place.
2. Ensure all locking mechanisms are securely engaged before use.
3. To attach the removable tote bag, slide the bag's sleeves over the handle frame. Secure the bag using the Velcro straps located on the back of the bag, ensuring a snug fit around the frame.

Operating Instructions

This product offers dual functionality as a rolling cart with a bag and a hand truck.

- **As a Rolling Cart:** With the removable bag attached, use the cushioned handle to pull or push the cart. The large wheels are designed to navigate various surfaces including grass, gravel, concrete, and sand.
- **Stair Climbing:** The unique 3-wheel design on each side allows the cart to smoothly roll over curbs and glide up and down stairs. Maintain a firm grip on the handle and pull the cart upwards or guide it downwards one step at a time.
- **As a Hand Truck:** To use the frame as a hand truck, simply remove the tote bag. The sturdy base can then be used to transport boxes, water jugs, or other bulky items.

Features

- **Removable Tote Bag:** The bag is designed to carry groceries and other items, and can be easily detached to convert the unit into a hand truck. It features multiple pockets for organization.
- **Stair Climbing Wheels:** Equipped with a 3-wheel system on each side for effortless navigation up and down stairs and over obstacles.

- **Foldable Design:** The cart folds flat for compact storage in small spaces, such as a car trunk, closet, or entryway.
- **Cushioned Handle:** An ergonomic, soft-cushion handle provides comfort and reduces strain during use.
- **Durable Construction:** The frame is constructed from alloy steel, and the wheels are made from EVA material, ensuring durability and stability.

Maintenance

The removable tote bag is weather-resistant, offering protection for contents in light rain. For cleaning, wipe the bag with a damp cloth. Regularly inspect the wheels and frame for any signs of wear or damage to ensure safe operation.

Troubleshooting

- **Bag Detachment:** If the bag frequently detaches, ensure the Velcro straps are securely fastened around the frame. Overloading the bag may also contribute to detachment.
- **Wheel Stability:** If wheels feel unstable, check that all bolts are tightened. Avoid exceeding the

recommended weight limit.

- **Difficulty on Stairs:** Ensure the cart is pulled or pushed one step at a time, allowing the 3-wheel mechanism to engage properly. Do not attempt to drag the cart without proper wheel rotation.
