## SETUP

### 1. Battery Installation

1. Locate the battery compartment on the grinder.
2. Insert the four included AAA rechargeable batteries, ensuring correct polarity (+/-).
3. Close the battery compartment securely.

### 2. Filling the Grinders

1. Twist the top section of the grinder counter-clockwise to separate it from the transparent spice chamber.
2. Fill the spice chamber with your desired spice (e.g., salt crystals, peppercorns). Do not overfill.
3. Align the top section with the spice chamber and twist clockwise to secure it.

## GRINDING HAS NEVER BEEN EASY

1. Refill salt or pepper into container

2. Adjust coarseness

3. Press the button

4. Charge the grinder

*Image: A four-panel image demonstrating the process of refilling the grinder with spices, adjusting the coarseness, pressing the button to grind, and placing the grinder on its charging base.*

### 3. Initial Charging

1. Connect the USB charging cable to the charging stand and a suitable USB power source.
2. Place the grinders onto the charging stand. The blue LED light on the base of the grinders will illuminate to indicate charging.
3. Allow approximately 2-3 hours for a full charge. A full charge provides approximately two months of usage time.

## OPERATING INSTRUCTIONS

### 1. Adjusting Coarseness

The grinders offer five coarseness options. To adjust:

1. Locate the adjustment knob on the top of the grinder.

2. Turn the knob to select your desired grind size: from extra coarse to extra fine.

## 2. Grinding Spices

The grinders feature easy one-handed operation:

1. Hold the grinder over your food or dish.
2. Press and hold the button located on the side of the grinder. The blue LED light will illuminate, and the grinder will begin dispensing spices.
3. Release the button to stop grinding.

### 3. Using the Measuring Cups

The included screw-on measuring cups allow for precise spice dispensing and can also serve as no-spill shakers:

- Attach a measuring cup to the bottom of the grinder.
- Grind spices directly into the cup to measure exact amounts (e.g., 1 tsp, 1 tbsp, 2 tbsp, 1/5 cup).
- The cups can also be used as temporary storage or for serving at the table.

### MAINTENANCE AND CARE

#### Cleaning

- Do not immerse the grinders in water or place them in a dishwasher.
- Wipe the exterior of the grinders with a damp cloth.
- To clean the spice chamber, detach it from the grinder and rinse with warm water. Ensure it is completely dry before reattaching and refilling.
- Use a small brush (not included) to clean any spice residue from the grinding mechanism.

#### Storage

Store the grinders in a dry place when not in use. The charging stand provides a convenient storage solution.

#### TROUBLESHOOTING

Problem	Possible Cause	Solution
Grinder does not operate.	Low battery or no power.	Charge the grinder using the USB charging stand. Ensure batteries are correctly inserted.
Grinder operates but no spice is dispensed.	Spice chamber is empty or grinding mechanism is clogged.	Refill the spice chamber. Clean the grinding mechanism of any residue.
Spice grind is inconsistent.	Coarseness setting is incorrect or grinding mechanism needs cleaning.	Adjust the coarseness knob. Clean the grinding mechanism.
Blue LED light does not illuminate during charging.	Grinder not properly seated on charging stand or charging cable/power source issue.	Ensure the grinder is correctly placed on the charging stand. Check USB cable connection and power source.
