SETUP AND PHOTO SUBMISSION GUIDELINES

To ensure your photos meet official requirements and are processed efficiently, please follow these guidelines when taking and submitting your photo:

Photo Taking Instructions:

1. **Assistance:** Ask someone to take your photo. Do not take a selfie.
2. **Eye Contact:** Look straight through the camera lens.
3. **Camera Height:** Keep the camera lens at the same height as your face.
4. **Original Photo:** Upload the original photo file. Do not submit a screenshot.
5. **Background:** Stand in front of a plain white or light-colored background.
6. **Lighting:** Ensure you are in a well-lit area to avoid shadows on your face or background.
7. **Expression:** Maintain a neutral facial expression with lips touching each other. Avoid smiling or frowning.
8. **Headwear:** No hats or headcovers are permitted, except for religious purposes.

9. **Eyeglasses:** Eyeglasses are generally not allowed. Exceptions are made only for medical reasons, accompanied by a doctor's statement or letter.
10. **Posture:** Shoulders should be straight. Ensure your full upper body, including arms and shoulders, is visible in the photo. Do not zoom in excessively on the head or face; our editors will adjust the framing.
11. **Toddlers:** For toddlers, lay them on their back on a white sheet and take the photo from directly above. Their full upper body is still required.

OPERATING THE SERVICE (PHOTO PROCESSING)

Once your photo is submitted according to the guidelines, our team will process it to create compliant passport/visa photos:

- **Professional Editing:** Our editors will perform the final editing, including cropping, sizing, and background adjustments, to ensure your photo meets all official requirements.
- **High-Quality Printing:** Your photos will be printed on high-quality photo paper with a crisp white background.
- **Delivery:** You will receive four physical 2x2 inch photo prints. Please allow approximately 5 days for delivery. Plan

your submission accordingly to ensure you receive your prints in time for your application.

MAINTENANCE

As this is a photo printing service, there is no physical product requiring user maintenance. The quality of the final prints is ensured by the service provider.

TROUBLESHOOTING AND SUPPORT

If you encounter any issues or have questions regarding your photo submission or received prints, please refer to the following:

- **Photo Rejection:** In the rare event that your submitted photo is deemed unsuitable for processing, or if the final prints are rejected by the issuing agency, please contact customer support immediately. The seller has a history of prompt responses and may offer solutions such as re-processing or providing additional prints.
- **Delivery Issues:** If your prints do not arrive within the expected timeframe (approximately 5 days), please contact customer support for assistance with tracking or re-shipment.
