HOMCOM 831-183

HOMCOM Makeup Vanity Desk with Flip Top Mirror - User Manual

Model: 831-183

INTRODUCTION

This manual provides instructions for the assembly, operation, and maintenance of your HOMCOM Makeup Vanity Desk with Flip Top Mirror. Please read all instructions carefully before assembly and use to ensure proper functionality and safety.

SAFETY INFORMATION

Adhere to the following safety guidelines during assembly and use:

- Exercise caution with sharp edges during assembly to prevent injury.
- Adhere to the product's weight limits to prevent damage or personal injury.
- Ensure proper assembly as per the instructions provided. Incorrect assembly can lead to instability.
- Keep small parts and hardware away from children.
- Do not stand or sit on the vanity desk.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Vanity Desk Frame (MDF board)
- Pine Wood Legs (4x)
- Flip Top Mirror
- Drawers (2x)
- Assembly Hardware (screws, hinges, knobs, etc.)
- Assembly Instructions (this document)

The product is delivered in one package. Please ensure all parts are accounted for upon receipt.

ASSEMBLY INSTRUCTIONS

Assembly is required for this vanity desk. It is recommended to have two people for certain steps, especially when attaching the mirror hinges, to ensure stability and ease of installation.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratches and to easily identify each piece.
2. **Attach Legs:** Securely attach the four pine wood legs to the main desk frame using the provided screws and tools. Ensure they are tightened firmly but do not overtighten.
3. **Install Drawers:** Assemble the two drawers according to the diagrams in the separate assembly guide (if provided). Once assembled, insert the drawers into their respective slots. Note that the top drawer may not have a built-in stop mechanism, and the larger drawer's stop mechanism may require careful installation.
4. **Attach Flip Top Mirror:** Carefully align the metal hinges of the flip top mirror with the designated attachment points on the desk frame. Secure with the provided screws. Test the flip mechanism to ensure smooth operation and that the mirror can be fixed securely at a 90° angle when open.
5. **Install Knobs:** Attach the elegant knobs to the front of the drawers.
6. **Final Check:** Verify that all screws are tightened and the desk is stable. Gently shake the desk to confirm its sturdiness.

OPERATING INSTRUCTIONS

Flip Top Mirror

The vanity desk features a convenient flip-top mirror. To use, gently lift the top panel. The mirror is designed to be fixed at a 90° angle, providing a stable surface for daily makeup application. When the mirror is not needed, simply close the top panel to convert the vanity into a regular desk, offering a versatile workspace.

Storage Drawers and Compartment

The desk includes a large compartment located directly under the flip-top mirror, ideal for storing larger items. Additionally, there are two drawers for organizing smaller items such as jewelry, cosmetics, or office supplies. Pull the drawers gently to open and push to close. Be mindful that the drawers may not have full stop mechanisms.

2 IN 1 DESIGN

Writing Desk

Vanity Table

This image demonstrates the dual functionality of the desk, serving as both a writing desk and a vanity table.

Metal Hinge

Pine Legs

Elegant Knob

This image details the storage options, including the main compartment and two drawers for organizing various items.

MAINTENANCE

Cleaning

To clean the vanity desk, wipe all surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive moisture, as these may damage the finish or material.

Mirror Care

Clean the mirror surface with a standard glass cleaner and a lint-free cloth. Spray cleaner onto the cloth first, rather than directly onto the mirror, to prevent liquid from seeping into the edges.

TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common problems and solutions:

- **Wobbly Desk:** Ensure all leg screws are securely tightened. If the floor surface is uneven, consider placing furniture pads or shims under the legs to stabilize the desk.
- **Mirror Not Staying Open:** Check the hinge assembly for the flip-top mirror. Ensure all screws are tight and the hinges are correctly aligned. If issues persist after checking, contact customer support.

- **Drawers Falling Out:** The drawers are designed to be easily removable. If they slide out too easily, ensure they are fully inserted. Be aware that some drawers, particularly the top one, may not have a built-in stop mechanism to prevent them from being pulled out completely.
- **Difficulty with Assembly:** Review the assembly instructions carefully, paying close attention to diagrams. If a specific step remains unclear, contact customer support for detailed guidance.

SPECIFICATIONS

Feature	Detail
Model Number	831-183
Overall Dimensions	23.6" L x 19.7" W x 33.7" H (60 x 50 x 85.5 cm)
Color	White
Material	MDF board, Pine wood
Number of Drawers	2
Item Weight	26.8 Pounds
Assembly Required	Yes
Special Features	Flip Top Mirror
