Hinyx MS10

Hinyx 2-in-1 MagSafe Charger Stand User Manual

Model: MS10

1. INTRODUCTION AND OVERVIEW

This manual provides comprehensive instructions for the Hinyx 2-in-1 MagSafe Charger Stand, a versatile and portable wireless charging solution. Designed for convenience and efficiency, this stand allows simultaneous charging of your MagSafe-compatible iPhone and AirPods or other Qi-enabled devices. Its foldable design makes it ideal for both home and travel use.

Image: The Hinyx 2-in-1 MagSafe Charger Stand in its upright position, charging an iPhone vertically and AirPods on the base. Another unit is shown folded flat.

2. PACKAGE CONTENTS

- 1 x Hinyx 2-in-1 MagSafe Charger Stand
- 1 x USB-C Charging Cable
- 1 x User Manual

Note:

A Power Delivery (PD) adapter of 20W or higher is required for optimal fast charging and **isnot included** in the package.

3. PRODUCT FEATURES

- **20W Fast Magnetic Charging:** Built with an intelligent chip and 14 powerful N52 magnets, this charger delivers a combined 20W of power to your phone and earbuds. It features auto-alignment for a firm grip and can boost battery levels up to 60% in approximately 30 minutes.
- **Foldable and Portable Design:** The stand folds into a compact size (6.3" x 2.7" x 0.5"), making it highly portable for travel. A dual-axis adjustment system allows for a customized viewing scope between 0° and 360°, supporting both landscape and portrait orientations.

Easy Fold for Travel

Image: A person demonstrating how to easily fold and store the Hinyx charger stand into a travel bag, highlighting its compact design.

- **2-in-1 Wireless Charging:** One cable powers two devices simultaneously. The top charging point is designed for iPhone 12/13/14/15 series, while the bottom point charges AirPods 3/Pro/2 or any other Qi-enabled device.
- **Durable Zinc Alloy Body:** Constructed from zinc alloy, the charger features a smooth surface that is resistant to falls, durable, and lightweight. This material also ensures better heat dissipation for efficient charging.

- **Sleep-Friendly Indicator:** The blue LED indicator light turns off after 10 seconds of charging, providing an uninterrupted and peaceful environment for sleep.
- **Case-Friendly Charging:** The top charging point is compatible with MagSafe or magnetic phone cases. For the bottom charging point, ensure the device case thickness is $\leq 6\text{mm}$. Keep metal, magnets, credit cards, and keys away from the charging area.

4. SETUP INSTRUCTIONS

1. **Unfold the Charger Stand:** Gently unfold the stand from its compact travel position to the desired angle. The dual-axis adjustment allows for various viewing angles to suit your needs.
2. **Connect Power:** Connect the provided USB-C charging cable to the charging port located on the stand. Plug the other end of the cable into a Power Delivery (PD) adapter of 20W or higher (not included). The blue LED indicator light will illuminate briefly upon successful power connection.
3. **Place Devices for Charging:**
 - For iPhone (MagSafe compatible): Align your iPhone 12/13/14/15 series (or an iPhone with a MagSafe/magnetic case) with the top magnetic charging pad. The built-in magnets will automatically align the phone for optimal charging.
 - For AirPods or other Qi-enabled devices: Place your AirPods 3/Pro/2 or other Qi-enabled device on the bottom charging pad.

5. OPERATING INSTRUCTIONS

- **Charging Status:** The blue LED indicator light will turn on when a device is successfully placed on a charging pad and charging commences. To ensure a sleep-friendly environment, the light will automatically turn off after approximately 10 seconds.
- **Adjusting Viewing Angle:** The Hinyx charger stand features a dual-axis adjustment mechanism. This allows you to rotate and tilt your device between 0° and 360°, providing an optimal viewing angle for various activities, whether in portrait or landscape mode.

7. SAFETY INFORMATION

Please read and follow these safety guidelines to ensure safe operation and prolong the life of your charger:

- Do not expose the device to extreme temperatures, humidity, or liquids.
- Avoid placing metal objects, magnets, credit cards, or keys between the charging pads and your device, as this may interfere with charging or damage the items.
- Ensure proper ventilation around the charger during use.
- Do not attempt to disassemble, repair, or modify the charger. Refer all servicing to qualified personnel.
- Keep out of reach of children.
- Use only with a compatible Power Delivery (PD) adapter of 20W or higher.

Certifications: This wireless charger is certified by FCC, UL, and CE, ensuring adherence to safety standards.

8. TROUBLESHOOTING

If you encounter issues with your Hinyx 2-in-1 MagSafe Charger Stand, please refer to the following common problems and solutions:

- **Device not charging:**
 - Ensure the charger is properly connected to a 20W or higher PD adapter.
 - Verify that your device is correctly aligned on the charging pad. For the top pad, ensure it's a MagSafe-compatible iPhone or case.
 - Remove any foreign objects, metal, or thick cases (over 6mm) that may interfere with charging.
 - Try a different USB-C cable or PD adapter to rule out accessory issues.
- **Slow charging:**
 - Confirm you are using a 20W or higher Power Delivery (PD) adapter. Lower wattage adapters will result in slower charging speeds.
 - Ensure your device supports fast wireless charging.
 - Check for proper alignment on the charging pad. Misalignment can reduce charging efficiency.
- **LED indicator not working:**
 - The blue LED indicator is designed to turn off after 10 seconds during charging to provide a sleep-friendly environment. This is normal behavior.
 - If the LED never illuminates upon connecting power or placing a device, check the power source and cable connection.

9. SPECIFICATIONS

Specification	Detail
Product Dimensions	6.3 x 2.7 x 0.5 inches (folded)
Item Weight	7.4 ounces
Model Number	MS10
Brand	Hinyx
Connectivity Technology	Wireless, MagSafe
Connector Type	USB-C (2-Pin)
Input Voltage	9 Volts
Amperage	2 Amps
Color	Sliver
Manufacturer	Hinyx Technology (Shenzhen) Co., Ltd.

Country of Origin	China
-------------------	-------

10. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to gently wipe the surface of the charger. Do not use abrasive cleaners, solvents, or immerse the device in water.
- **Storage:** When not in use, store the charger in a cool, dry place. Its foldable design allows for compact storage, protecting it from dust and damage.

11. WARRANTY AND SUPPORT

Warranty: The Hinyx 2-in-1 MagSafe Charger Stand is backed by a 60-month (5-year) worry-free refund or replacement guarantee, ensuring long-term satisfaction and reliability.

Customer Support: For any issues, questions, or support needs, please contact Hinyx customer service. Our dedicated support team is available 24/7 and aims to respond to all inquiries within 12 hours. You can typically find contact information on the seller's page on the platform where you purchased the product, such as the [FunTake Ark seller page on Amazon](#).
