Vziimo Cherry Blossom Bonsai Tree House Building Set (Model 1232) Instruction Manual

Brand: Vziimo | Model: 1232

Introduction

This manual provides detailed instructions for assembling and maintaining your Vziimo Cherry Blossom Bonsai Tree House Building Set, Model 1232. This set features 2028 micro blocks, designed to create an intricate Japanese Sakura tree house model. It is intended for individuals aged 14 and above, offering a challenging yet rewarding building experience.

Safety Information

- **Small Parts Warning:** This set contains small parts and is not suitable for children under 3 years due to choking hazards.
- **Age Recommendation:** Recommended for ages 14 and up. Adult supervision is advised for younger builders.
- **Material Safety:** The building blocks are made from high-quality, non-toxic ABS plastic.
- **Handling:** Handle pieces with care to avoid damage or loss.

Package Contents

Before beginning assembly, please verify that all components are present. The package should contain:

- 2028 Micro Building Blocks (various shapes and colors)
- Instruction Manual (this document)
- Brick Separator (if included)
- Mini Figure (if included)

Note: If any parts are missing, please refer to the "Warranty and Support" section for assistance.

Setup

1. **Prepare Your Workspace:** Choose a clean, well-lit, and flat surface for assembly. Ensure sufficient space to spread out the building blocks and instruction manual.
2. **Unpack Components:** Carefully open all bags containing the micro blocks. It is recommended to sort the pieces by color or

type into separate containers to facilitate easier assembly.

3. **Review Instructions:** Familiarize yourself with the entire instruction manual before starting. Pay attention to the visual diagrams and step-by-step guidance.

Assembly Instructions

Follow the numbered steps and corresponding diagrams in the included printed instruction booklet. The assembly process is divided into several stages, focusing on different sections of the Cherry Blossom Bonsai Tree House.

General Assembly Tips:

- **Patience is Key:** Micro blocks are smaller than traditional building blocks, requiring precision and patience. Take your time with each step.
- **Use the Brick Separator:** If included, use the brick separator tool to disassemble incorrectly placed blocks or to separate tightly connected pieces.
- **Follow Diagrams Closely:** Each step's diagram illustrates the exact placement of blocks. Ensure correct orientation and connection.
- **Check for Missing Pieces:** Periodically check the remaining pieces against the parts list for each section to ensure no critical components are overlooked.

Operating Instructions

The Vziimo Cherry Blossom Bonsai Tree House Building Set is a static display model. No operational steps are required beyond assembly.

- **Display:** Place the assembled model on a stable, flat surface where it can be admired. Avoid areas prone to vibrations or direct sunlight to prevent fading or damage.
- **Interaction:** While durable, the model is not designed for rough play. Gentle handling is recommended to preserve its intricate details.

Maintenance

- **Cleaning:** To clean the model, use a soft, dry brush or a can of compressed air to gently remove dust. Avoid using water or chemical cleaners, as these may damage the plastic or cause discoloration.
- **Storage:** If disassembling for storage, carefully separate the blocks and store them in sealed bags or containers to prevent loss and damage. Keep them in a cool, dry place away from direct sunlight.

Troubleshooting

- **Missing Parts:** If you discover any missing parts during assembly, please contact the seller directly with details of the missing components. Refer to the "Warranty and Support" section.
- **Difficulty Assembling:**
  - Ensure you are following the instructions step-by-step and referring to the diagrams.
  - Verify that you are using the correct pieces for each step, as micro blocks can be very similar.
  - Apply gentle, even pressure when connecting blocks. Avoid forcing pieces together.
- **Loose Connections:** If parts feel loose, double-check that they are fully pressed together and correctly aligned according to the instructions.
